

October 26-27th

North West

Institute of Public Works Engineering Australia

2012 Works & Engineering Conference

About the Conference...

Tasmanian Works & Engineering Conference

Presented by TAMS and IPWEA

Bringing together Works Department Supervisors, Consultants, Engineering and Works Staff to discuss the current issues in Tasmanian Public Works

Meeting at the new Sports & Leisure Centre at Ulverstone, the morning session will be on healthy lifestyles and good engineering by design.

Later you'll hear from local presenters on subjects including Roads, Traffic, Water/Waste and Stormwater, Asset Management, Traffic, Parking, Works and more.

We have assembled a great line up of speakers to inspire you, a massive trade display to amaze you and the renowned North West hospitality to indulge you!

Conference Venue: Ulverstone Sports & Leisure Centre

About the Speakers...

Royce Fairbrother

Royce was the inspiration behind the birth of the Fairbrother Group. He is a great example of the success possible through on-the-job training, hard work, strong values and persistence.

He is an avid sports person and a leading advocate for healthy lifestyles with a particular focus on workplace health and wellbeing programs.

Royce has spent many hours studying best practise business management and will be sharing insights from more than 40 years of providing leadership and vision to a Group that is an industry leader in Tasmania and beyond.

Robin Nolan

Heart Foundation—Healthy By Design

Rob reveals how good planning and design in the built environment can improve health and equity in making sustainable communities. And the benefits of making streets more walking and cycling friendly.

Program

8:15am-9:00am Registration

5:00pm Conference Debrief

Conference Dinner

HUDSON CIVIL PRODUCTS CONFERENCE NIGHT

Stay on for a fabulous night at the stunning **Waterfront Function Centre** on the edge of the Mersey River in Devonport.

Located at 17 Devonport Road there will be a FREE shuttle Bus Service to and from the venue.

Getting underway at **7:30pm**, the night will be hosted by Lester Jackson, with the *real entertainment* provided by **The Sun Kings**.

Saturday Technical Tour

Departing ULVERSTONE WHARF CAR PARK 8:45am

Get on board for a coastal extravaganza. The Saturday **Tech Tour** is one not to be missed.

Departing from Ulverstone the Air-conditioned Coach Tour will take you to the Coast's most happening areas.

From the **Mersey Bluff** you'll be able to stride out along Devonport's famous foreshore walk and check on progress at the **Maritime Museum Interpretation Centre** (under construction)

Keeping with the nautical theme, you'll get the chance to step on board the **Julie Burgess Sailing Ketch** berthed on the Eastern Shore, before being whisked over to meet some of Burnie's memorable makers at the impressive **Maker's Workshop**.

Homeward bound in the afternoon with a chance to savour lunch at **Ulverstone's Leven River Wharf Precinct**.

The tour concludes around 3pm at the Ulverstone Wharf car park.

NOTE: Wear comfortable shoes and be prepared for 30 minutes of walking.

Partner Program

THE PARTNERS TOUR

Your hosts Jenny and Amanda have lined up a special program for partners.

Highlights of the 'Ladies' tour include *High Tea* at **Home Hill**, Cheese sampling at **Ashgrove** near Elizabeth Town and lunching at the **Raspberry Farm** at Christmas Hills.

Oh...and of course shopping, at one of the Coast's quaintest towns.

The Tour returns in time for the Conference Debrief.

For more information call Amanda on 0418 142398
