2019 AWARDS PROGRAM

WHO WE ARE

Founded in 1976 by 42 charter theatre members, the **League of Historic American Theatres, Inc.**, a non-profit charitable membership association, has grown into a network of more than 325 historic theatres throughout the United States and Canada.

League members and sponsors are working in communities all over North America to champion the preservation, restoration and operation of historic theatres. We're eager to share our energy and our collective knowledge with you. **Joining the League will save you time and money.** We'll make sure you don't have to reinvent the wheel - we'll help you solve problems and direct you to the best goods and services designed specifically for historic theatres.

Historic theatres are successful survivors. Their managements constantly adapt programming, operations and facilities to remain relevant to communities who embrace them. The League provides its membership with the tools, techniques and technologies to remain vital assets within their communities.

WHAT IT TAKES TO BE OUTSTANDING

The Outstanding Historic Theatre Award recognizes an operating theatre that demonstrates excellence through its community impact, quality of programs and services, and quality of the restoration or rehabilitation of its historic structure. An award-winning theatre will have demonstrated excellence through significant achievement, the impact of its services and breadth of populations served, and the length of time and/or intensity of its activities.

ELIGIBILITY REQUIREMENTS

Eligible historic theatres are members in good standing of the League of Historic American Theatres and meet the following eligibility criteria:

- Undergone restoration or rehabilitation of its historic structure that enhanced the theatre's ability to serve its community as a cultural venue
- In continuous operation for at least five years following rehabilitation of its historic structure

While nominations may come from any source (not only League members), current LHAT board members may not nominate theatres with which they are or have been associated. Previous award recipients are not eligible.

METHOD OF SELECTION

An impartial review panel will be selected to reflect expertise in the following areas: community development, cultural programming, theatre management, architecture and design, and historic preservation.

Review panelists may not submit nominations or be associated with any nominated theatres. Current members of the League's Board of Directors may not serve as panelists. Decisions of the review panel shall be final.
