**Midwest Business Group on Health President and CEO Larry Boress
Named to *Crain's Chicago Business Who's Who 2011***

CHICAGO – September 5, 2011 – The non-profit Midwest Business Group on Health (MBGH), one of the nation's leading business groups of private and public employers, is pleased to announce that its President and CEO, Larry Boress, has been recognized by *Crain's Chicago Business* for the Who's Who in Chicago Business for 2011.

Published since 1989, the annual list acknowledges business, cultural and political leaders who make a significant impact in the Chicago business community as well as with civic and professional organizations. Those listed are selected solely by the publication's staff.

"It's an honor and privilege to be added to Crain's list of business leaders," said Boress. "I believe this is an acknowledgement of the hard work done by MBGH leadership and staff to improve health benefits and health care."

About the Midwest Business Group on Health

Celebrating more than 30 years of advancing value in health care and health benefits management, the non-profit Midwest Business Group on Health (MBGH) is one of the nation's leading business groups of private and public employers. MBGH's more than 100 members represent over 3 million lives, spending more than \$3 billion on health care benefits annually. MBGH member benefits include educational workshops for health benefits management, networking opportunities, research, demonstration projects and community initiatives. MBGH is a founding member of the National Business Coalition on Health. www.mbgh.org
