Partner with the Oregon Employer Council on the 2013 Speaker Showcase TT - I spoke with Greg Ivers since the last board meeting and they have chosen to not participate in 2013, he did say the planners are welcome to come although without the support of the OEC they will not be able to expense and fund their trip. We had very few MPI OC planners attend this event in 2011. Strategic Alliance has a call scheduled with VP of Finance and VP of Special Education on 11/6/12 to discuss the plan on how to proceed with Speaker Showcase UPDATE 11/7/12 - Melodie, Janice, Darcie and Tara spoke today about Speaker Showcase and came to the consensus that we would like to postpone the Speaker Showcase until next year to allow more time for the teams to re- envision and re-brand the event properly. we do believe that MPI and the Finance/Education team can create an amazing event that will surpass previous years however we have concerns about doing this in less than 8 months with a limited volunteer base.
