

Rules of Golf

More Putting Stuff:

If you hit the flagstick with your putt, it is a **two stroke penalty**. So...

- Don't putt if the flag is still in the hole
- Place the flag well away from anyone's line
- Move the flag if you are attending.

If you hit someone else's ball with your ball, the ball that is hit must be put back where it was. The ball that struck the other ball must be played from where it comes to rest.

- If the ball that hit the ball on the green is hit from off the green, no penalty.
- If both balls are on the green, ***it's a two-stroke penalty***.

Do not walk on the line of your or anyone else's putt.

Penalty – One Stroke.

The line does not extend past the hole.
