

2012 League Selection Guidelines

(Please Read Before Completing 2012 League Registration Form)

For 2012, the leagues continue to provide an opportunity to network, meet new friends, improve skills, handicaps, And most of all - have fun!

The leagues will have three flight designations based on skill level. Please read the following for assistance with selecting the appropriate flight for your skill level. League format will be *Individual*. (Note: For a detailed list of the Leagues, see *League List*.)

- ✦ Flight A is for players with an average nine-hole score of 55 strokes or less. (Score will be verified by 2011 league play or official HCP i.e. GAM or EWGA GLMS).
- ✦ Flight A/B is for players with an average nine-hole score of 69 strokes or less. (Note: Depending on the size of the league, it may be divided into two groups (Group A and Group B) based on your scores from the first 2 weeks of league play. Each player will then play a round robin within their group)
- ✦ Flight C is for the new golfer or golfer whose average nine-hole score is 70 strokes or more

The success of the leagues is largely dependent upon the teamwork of its members. Please observe the following guidelines when registering for leagues:
