

DUAL MEMBERSHIPS -

Do you live near two EWGA chapters but like the events at both locations and can't choose which one to join? Are you a member of another chapter but want to join ours too? Do you spend half of your time in a warmer part of the country during the winter months?

You can have an EWGA membership at multiple chapters for an additional \$35 per extra chapter. Dual memberships are FULL memberships at each chapter. Just call EWGA AHQ at

1-800-407-1477 Ext. 16

and let them know which additional chapter(s) you want to become a dual member of. You can find a list of all EWGA chapters throughout the country on the EWGA.com website. Click on the blue title bar at LOCATIONS.

We are the **Northeast Bay, California** chapter.
