● Responding with urgency to student health and hygiene needs
● Maintaining, evaluating, and interpreting health data to accommodate individual student needs
● Developing and implementing student health plans
● Developing systems and procedures to provide emergency nursing services for injuries and illnesses

Position Requirements:

● Believe in the mission and values of Crescent City Schools
● Qualified to practice as a Registered Nurse in the State of Louisiana and hold an unrestricted license
● Certified in CPR
● At least 2 years’ experience in school health, community health, public health or pediatric nursing

About Crescent City Schools
Crescent City Schools is a nonprofit Charter Management Organization whose mission is to support and develop open enrollment charter schools that raise student achievement and prepare students for college. As a part of the ongoing effort to rebuild New Orleans public schools, Crescent City Schools currently operates three PreK-8th grade open-enrollment charter schools: Harriet Tubman and Paul Habans Charter schools, located on the West Bank; and Akili Academy, located in the Upper Ninth Ward. Our organization creates life-changing educational experiences for students and, through this work, transforms a city.

All faculty and staff at Crescent City Schools:

● Believe in the unlimited potential of each child
● Take personal responsibility for and are passionate about raising student achievement
● Are prepared for the unique challenges and opportunities that school turnaround involves
● Inspire their students and colleagues
● Use feedback to improve
● Achieve great results

Compensation is competitive and based on experience. We offer an incredible benefits package.
