### Coveted Bocce Trophy Heads South

President Ray Presents The International Bocce Trophy To The Victorious Americans

There was strategy and skill flowing from both teams for the final of the Annual International Bocce Tournament, but in the end, the team from the United States emerged victorious to the shouts and jeers from the boisterous crowd. But the real winners of the event were the members of both teams who displayed the camaraderie that exists between members of the NAWCC no matter where they reside. Thanks folks for a well fought tournament, and we hope to see you all here again next year when the Canadians will attempt to regain the trophy and the glory they enjoyed for the past three years. Until then, our American friends, enjoy.

# Another Superb BBQ

From all reports, the Annual Chapter 121 August Bar-B-Que was a resounding success. Some have even said it was the best ever. The food was great and cooked to perfection as promised, the prizes were many, but most of all the friendship exhibited by all who attended was the best. We want to thank all who contributed to this event with donations of food which are too many to list. But it behoves us to point out some of those who did more than their fair share of the work to make this annual; event so successful.

Malcolm Wilson for Chairing the BBQ and selling tickets. Super job.

Ray and Virginia for picking up the meat and helping cook it. Whatever would we do without Virginia.

Jim and Bev Marinello who arranged for the park and brought the corn, fruit, briquettes and cooking implements.

Don and Bonnie Simpson for picking up the prizes.

Mike and Maureen Harbott for the refreshments.

Dennis, Virginia and John for cooking the feast.

All the ladies who set up the tables, peeled the corn, and cleaned up after.

And to all those others who we have forgotten who worked overtime to make this annual event a success. Your contributions are much appreciated by all.

# Annual Auction

Just a reminder that our Annual Chapter 121 Auction is coming up on October 6th, 2011. Now is the time to start gathering your goodies for sale and saving your coin to buy. I'm sure we all have lots of clock, watches and other horological paraphernalia we no longer want or need so why not sell it at the auction. There is always someone out there who is willing to part with some hard earned cash to take it off your hands. Lets try to make this the biggest auction ever.

## Chapter Elections

This is the year for our Chapter 121 Elections which will be held at our Annual General Meeting in December. If you wish to put your name forward for President, First or Second Vice President., Treasurer, Secretary or one of the two Director positions, or would like to nominate someone else (please ensure they agree to run before nominating) then contact Nominating Chairman Don Simpson at the September meeting.

---

## THE LETTER IS G

The letter for the September meeting is 'G'. More members are starting to bring items for display and discussion which is encouraging. I'm sure we can all come up with an horological item we can bring to 'show and tell'. Lots of items out there beginning with 'G'.
