## TIME LINES

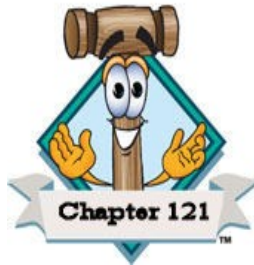

Issue 299

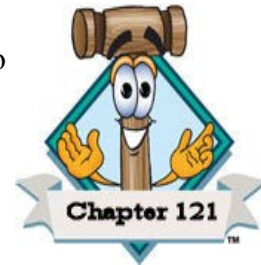

Heritage Hall - 15th Avenue & Main Street, Vancouver, BC

Sept 2011

## Auction Time

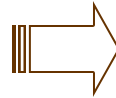

Yup folks, it's time once again to dig into the closets, drawers, and under the stairs to dig out those long forgotten treasures and bring them to Heritage Hall for Chapter 121 Annual Auction. This is usually our biggest meeting of the year so there should be lots of sellers and, hopefully lots of buyers in atten-

dance. Bang The Hammer Saunders and Bid Fast and Often Simpson will be there to keep the action moving. There will be no limit to the number of items you may offer for sale, so lets fill up the tables. Remember the old adage of 'one mans junk is another mans treasure'. Hope to see you all there.

## Dues Dues Dues

It's that time again folks, time to shell out \$30.00 for our 2012 membership . Please see Treasurer Delores at the October meeting with cheque or cash in hand. Remember, without your membership dues we would not be able to enjoy the benefits we now have. Your early remittance would be greatly appreciated.

# September Meeting

Those attending the September meeting enjoyed a bit of nostalgia as President Ray Saunders presented a program on some of the past accomplishments of Chapter 121. It certainly brought back some memories of meetings past. Thanks once again Ray. The second part of the program featured the letter 'G' with several members bringing horological items fitting this group. John 'Goofy' Flahive brought in his collection of Goofy watches, John Connolly had a gravity clock, Ray Saunders had some watches and Dennis Radage had a fussee Grafton pocket watch, and Don Simpson had a gold watch chain.. It is good to see this part of the program picking up with a few more members participating. There will be no alphabetical letter program in October, so the November letter will be 'H'.

## Out And About.....

Chapter 121 members John Connolly and Jim Marinello travelled to Tacoma in early September to assist Chapter 135 man their booth at the Puyallup Fall Fair. This is an annual event for Chapter 135 and they are always looking for help. The booth is actually very busy with people dropping by to discuss their own clocks and watches and looking for someone to do repairs. On the way back, they dropped into the Multi Chapter Meeting in Seattle hosted by Chapter 50. There were ten members of Chapter 121 in attendance.
