What's on offer at NGOConnect Africa?

Cost Effective Training for NGO's

Make use of the spare capacity in training rooms of participating Learning Providers AND benefit from classroom training at FANTASTIC PRICES! For more info [click here](#)

Free Microsoft Exams

Microsoft South Africa has donated 8 Microsoft Certified Professional exams to be used by NGOs. This examination offer expires on 31 December 2009, and can be used to write any Microsoft Certified Professional technical exam. For more info contact Colin Hooper at colin@ngoconnectafrica.org

FREE Introductory Training

Social Networks have proven to be of advantage to the work that NGO's do. NGOConnect Africa provides an online platform, which fosters the dialogue on which this knowledge is built. To book or for more info [click here](#)
