

Search for a Senior Risk Officer, Enterprise Risk Management

Alberta Blue Cross

Edmonton

As Alberta's largest benefits carrier, Alberta Blue Cross provides supplementary health and dental benefits to meet the needs of over 1.6 million Albertans. We offer benefit plans for individuals and families, seniors, and large and small employers. We also administer health programs for provincial, territorial and federal governments. As a best practices organization, Alberta Blue Cross is a three-time recipient of the Premier's Award of Distinction for Healthy Workplaces, and is ranked as one of Alberta's Top 65 Employers.

The Senior Risk Officer (SRO) is a leadership role in the Enterprise Risk Management portfolio and reports directly to the Senior Manager, Enterprise Risk Management. This position is responsible and accountable for leading a facilitative team in the planning, delivery and evaluation of the ERM programs and services in support of the strategic and operating plans of Alberta Blue Cross. The SRO will develop and maintain strong working relationships with both internal and external stakeholders in order to ensure operational effectiveness of all related services and projects.

Successful candidates will possess a proven ability to lead strategic planning, relationship management, and have at least eight years of experience in enterprise risk management. Candidates should have at least five years of demonstrated leadership experience in audit or risk management. A professional accounting designation and or designation in risk management is viewed positively.
