“NARIMS presents: Ten tips for getting claims paid”

Date: November 20, 2013

Time: 8 am to 10 am (Breakfast starts at 7.30 am)

Place: Sutton Place Hotel, Northcote Room – 10245 101 Street
Parking available at the Bell Tower or City Centre Parkade.

Registration fee: \$40 members/\$75 non members; at the Door by cash or cheque only.

The NARIMS Board presents Pamela Hans, of Anderson Kill, Attorneys and Counselors at Law.

Getting Claims Paid is often difficult and progressively more so as the size of the claim increases. Pamela will offer risk management personnel and in house counsel some practical tips for moving claims along to a satisfactory resolution. Minimizing resistance, maximizing coverage and getting that insurance claim cheque in hand is possible with the right approach. Getting the right people to the negotiation table and ensuring you have selected fiscally solid insurers are only a couple of factors in that right approach

Come to this session, listen to our visiting expert Pamela Hans and learn more tips and tricks for Getting Claims Paid.

Please send your registration request to: Lynda Lyttle (lynda.lyttle@stantec.com) with the subject line: “NARIMS: Getting Claims Paid” **before November 14th** so that we can confirm final numbers to the hotel.

****Guests are welcome and may be included when registering your attendance at this session.**

PLEASE NOTE: NARIMS must pay for each declared registrant. Persons who register and do not attend or send an alternate will be Billed for the costs of the session unless cancellation notice is received prior to noon on November 14th, 2013.

EDUCATION CREDITS: have been requested for 1.5 hours of Continuing Education (General and Adjusters). Please ensure that you sign in and out of the seminar as this is a mandatory Requirement of the Alberta Insurance Council (AIC) to receive your credits.
