

One of Husky's advantages is that we are an integrated oil and gas company. From exploration to development, production, refining and marketing, we've got it all! Combine this with a range of learning and development tools and an inclusive work environment, and you are well-positioned for a successful career at Husky.

We have training, mentoring and career development programs and resources to help you develop both personally and professionally – as an employee or a leader. We offer many internal leadership and business skills courses along with tuition reimbursement programs for qualified employees. Every year, a significant number of our employees are able to take on new roles within the company thanks to our strong focus on hands-on learning and development.

Husky is currently looking for a **Sr Risk Analyst** at their Calgary, Alberta office. This is an exceptional opportunity at Husky Energy to become part of the high profile Corporate Risk Management Group. As the successful candidate, you will provide support to the Director of Risk Management and the Insurance Supervisor on the management, direction and administration of the Company's insurance programs; corporate claims and losses (both insured and self-insured); and provide guidance, mentorship and support to individuals in the corporation and within the insurance group.

Specific responsibilities will include:

- Assist the Risk Manager in relation to strategic analysis regarding Husky's corporate insurance philosophy and development and maintenance of the company's insurance programs.
- Provide assistance in the marketing of the Company's Canadian and U.S. risks to appropriate insurance markets.
- Support, consult and provide insurance advice to ensure that risks are effectively assessed and managed within corporate risk exposure levels and guidelines.
- Consult throughout the corporation as a resource in matters relating to liability & insurance, including working proactively with other departments to reduce exposures that would impact Husky.
- Assess business unit needs for various projects and exposures, based on existing corporate policy and philosophy; advise various internal business units on liability, indemnity and insurance provisions in contracts, agreements and leases to ensure appropriate allocation of risk.
- Develop underwriting information required to negotiate corporate insurance coverage.
- Review insurance policies to ensure accuracy and completeness of the coverage and policy documents, and provide wording improvement recommendations.
- Assist with special projects as needed.

Our ideal candidate will have the following qualifications:

- Individual with a proven track record in insurance and risk management
- A post-secondary education (college or university), or Degree / Diploma, in a relevant discipline preferable along with completion of CIP, FCIP or CRM designation(s).
- 5+ years of relevant insurance, claims, brokerage, risk management and financial analytical or energy industry experience.
- Experience with analyzing complex legal contracts, including liability and insurance clauses within contracts to identify, control and manage risk exposures
- Strong negotiation and conflict resolution skills.
- Strong customer service orientation and the ability to build positive, productive business relationships A senior level understanding of insurance concepts, policies and practices is required.
- Strong analytical, communication (both written and verbal) and negotiation skills.
- Strong attention to detail.

- The ability to work without supervision, with strong organizational and time management skills to work effectively under timelines.
- The ability to supervise, support and mentor individuals.

At Husky, we respect diversity and embrace an inclusive culture. We value uniqueness and different perspectives as they play a critical role in our success. To achieve this, individuals are selected based on qualifications, merit, and abilities and we encourage applications from everyone including visible minorities, Aboriginal people, women, and persons with disabilities.

Husky Energy is an integrated Canadian energy company. It is headquartered in Calgary, Alberta, and is publicly traded on the Toronto Stock Exchange under the symbol HSE. The Company operates Upstream and Downstream business segments, with operations in Canada, the United States, China and Indonesia.

Husky's balanced growth strategy focuses on consistent execution, disciplined financial management and safe and reliable operations.

Interested candidates must apply online at: www.huskyenergy.com/careers. Only those candidates who apply via Husky's online application process can be considered. We thank all applicants for their interest in our organization; however, only short-listed applicants will be contacted.
