

Rocky Mountain RIMS Chapter

2026 SPONSORSHIP OPPORTUNITIES

A MESSAGE FROM THE PRESIDENT

Dear Prospective and Current Sponsors,

As the newly appointed President of the Rocky Mountain RIMS Chapter, I'm deeply honored to build upon the remarkable foundation our chapter has established. Our continued success is rooted in the strength of our community — a dynamic network of risk professionals, students, and industry partners who collaborate to share insights, cultivate relationships, and elevate the practice of risk management. A core goal of my leadership will be advancing professional development and mentorship across all career stages. Through intentional programming, mentorship initiatives, and networking opportunities, we aim to equip everyone with the tools, connections, and confidence to shape the future of our industry.

Peggi Miller
President, Rocky Mountain RIMS Chapter

Our sponsors play a pivotal role in this mission. Their support enables us to deliver high-impact educational events, expand outreach to CU Denver and NMSU RMI programs, and foster growth for professionals at every level. Sponsorship is more than financial backing — it's a commitment to cultivating excellence and resilience within the risk management community. While the fees for Platinum, Silver, and Gold sponsorships are increasing a small amount this year, we are adding incredible value to our sponsors to include free Rocky Mountain RIMS Chapter memberships above the Bronze level.

I invite you to be part of this endeavor —by mentoring a student, RRP, or inviting a student or RRP to mentor you. Attending a chapter event or partnering with us as a sponsor are powerful tools to continue our chapter and industry success. Together, we can create a thriving ecosystem of learning, leadership, and innovation that strengthens our profession for years to come.

MISSION

Advance the Risk Management profession among our members, students and business community through educational programs, professional development resources and networking opportunities.
