SNAME Sections, Section Leaders Earn Distinction 2009 Supersections and Recruiter Awards Announced at Annual Meeting

Five SNAME Sections returned from the 2009 Annual Meeting in Providence, RI with Supersection honors. The Society's top recruiter was also named and lauded.

SNAME Sections – the regional subgroups of the Society – earn Supersection honors by demonstrating excellence in Section management and reporting throughout the year. Criteria include having a volunteer membership officer, completion of a Section audit, and attendance at officer training programs.

Five sections earned 2009 Supersection honors:

**Chesapeake Greek Hampton Roads
Southwest Pacific Northwest**

Efforts to build the Society's membership base were also recognized at the 2009 Annual Meeting. **Glenn Walters, Chair of the Eastern Canadian Section**, earned distinction as the Society's top recruiter.

Several other sections also had members recognized for recruiting success. These are:

**Canadian Atlantic Chesapeake Greek Gulf Hampton Roads International
New England New York Metropolitan Pacific Northwest Southwest Texas**

The Society of Naval Architects and Marine Engineers is an internationally recognized non-profit, technical, professional society of individual members serving the maritime and offshore industries and their suppliers. Founded in 1893, the Society comprises over 10,000 individuals throughout the United States, Canada and abroad. Membership is open to all qualified applicants in or associated with the maritime, offshore, and small craft industries
