Thank you to all sponsors, foursome teams and players who made the 2011 Annual Golf Tournament a memorable day on the course

The Society of Naval Architects and Marine Engineers would like to thank all supporters and golfers, who participated in the SNAME Golf Tournament preceding the 2011 Annual Meeting & Expo on Tuesday, November 15 in Houston, TX.

The Golf Tournament took place at the Wildcat Golf Course located in Houston. Considered to be "like no other golf experience in the Southeast Texas area," the preferred golf club of Houston's professional sports teams, the Wildcat consists of two spectacular golf courses – designed by Roy Case –located just south of Houston. Both courses feature elevations up to 100 feet providing spectacular views of Houston's downtown skyline, the Galleria and the Reliant Stadium complex.

After a brief thunderstorm, golfers were able to show off their skills and had a fun day of camaraderie. Winners included:

1st Place Foursome: John Hatley, Peter Fagot and Kevin Coyne

2nd Place Foursome: Dave St. Amand (Golf Committee Chair), Ed Waryas Wolfgang Avery and Jan Flores

Longest Drive: Peter Fagot

Closest to the Pin: Peter Fagot

- *The Wartsila sponsored "Hole-in-One" prize of a 2011 Camaro or \$35,000 cash was not awarded to any golfers this year*
