

1. Get on Army Navy Drive south of the Pentagon, heading west. The road turns southward a short distance west of Pentagon City. Watch for the right turn into Army Navy Country Club, at the red A above. You go under I-395 and directly through a gate with a sign saying you're entering the Club. The road winds up the hill through the golf course. Go left when you reach the parking area at the top of the hill and park in front of the clubhouse (the three-story building behind the flagpole), at B above.
2. From the Crystal City area, take 20th, 22nd or 23rd Street west to Army Navy Drive, then right to the Club entrance. Continue as described above.
3. Via Glebe Road: Take I-395 to Glebe Road, exit and go north. (Or take South Glebe Road from Route 1 south of Crystal City.) Just before the busy intersection of S. Walter Reed Drive and S. Glebe road, make a right turn from Glebe Road onto S. 18th Street. Almost immediately, make a hard right, then a left, and follow S. 18th Street three blocks directly into the Club parking lot. The clubhouse is at the far end of the parking lot, behind the flagpole.
