## SNAME Scholarship Fund Benefits from the 5<sup>th</sup> Annual SNAME Golf Tournament

---

---

(Jersey City, NJ) A heartfelt thank you to all the golfers who participated in the 5<sup>th</sup> Annual SNAME Golf Tournament, which preceded the Annual Meeting in Providence, RI. The tournament was held on Tuesday, October 23 at the Wannamoisett Country Club, one of the premier golf courses in the United States. Located a few miles from the heart of Providence, the Donald Ross designed par 69 masterpiece has been ranked as one of the Top 50 courses in the nation by *Golf Magazine*, *GolfWeek* and *Golf Digest*. Wannamoisett hosted the PGA Championship in 1931 and welcomes the world's best amateur golfers to our annual Northeast Amateur Invitational Tournament.

20 golfers came together to enjoy a beautiful day on the course, playing in teams of four with a shotgun start. Winners included:

- 1st Place Team Piotr Bandyk, Braxton Scherz, Steve Smith & Rick Paradis
- Longest Drive - Ed Waryas
- Closest to the Pin #3 – Dave St. Amand, Golf Committee Chair
- Closest to the Pin #8 – Justin Freimuth
- Closest to the Pin #12 – Rick Paradis

We would like to thank the golf tournament's generous sponsors: Lloyd's Register North America, Awards Sponsor and the two foursome teams – Wartsila and Keppel Offshore and Marine.

All proceeds raised will go toward supporting the SNAME Scholarship Fund. \$200,000 in scholarship awards to both Undergraduate and Graduate SNAME student members have been made by the Society for the 2011-2012 academic year. The Society of Naval Architects and Marine Engineers has awarded millions of dollars in scholarships to graduate and undergraduate students since 1933.

We look forward to seeing you in Tacoma, WA in 2013!

*The Society of Naval Architects and Marine Engineers is an internationally recognized non-profit, technical, professional society of individual members serving the maritime and offshore industries and their suppliers. Founded in 1893, the Society comprises over 10,000 individuals throughout the United States, Canada and abroad. Membership is open to all qualified applicants in or associated with the maritime, offshore, and small craft industries*
