
SPE Australasian Marginal Fields and New Projects Symposium

Wednesday 19th November 2014

Perspectives from Industry Leaders of the Australian Oil and Gas Industry including AGL, AWE, Oil Search, DMITRE, DNRM, Horizon Oil, Strike Energy, Schlumberger, Worley Parsons, UNSW, Macquarie Bank, PricewaterhouseCoopers, AME Group, Gaffney Cline & Associates

KEYNOTE SPEAKERS

Barry Goldstein, Executive Director Department for Manufacturing, Innovation, Trade, Resources & Energy, South Australia

“The Road Towards Developing Australia’s Deep Unconventional Reservoirs”

Barry Goldstein is executive director for South Australia’s Energy Resources Division (ERD) and the Chair of Australia’s Coal Seam Gas Steering Group. Barry serves on several national (Australian) government committees focused on the deployment of leading practice regulation, the direction of research and investment attraction for petroleum, geothermal energy, and greenhouse gas storage – providing advice to State, Territory and Commonwealth Minerals and Energy Resource Ministers.

Ian Z Tchacos, Executive Chairman Instinct Energy

‘How Corporate Imperatives and Capital Markets bias Decision Making in Relation to Australia’s Marginal Fields.

Ian Tchacos is an Energy Professional with over 30 years international experience in corporate development and strategy, mergers and acquisitions, petroleum exploration, development and production operations, commercial negotiation, oil and gas marketing and energy finance. He currently serves as Executive Chairman of Instinct Energy Ltd, Chairman of ADX Energy Limited, Chairman of Riedel Resources Limited and Non-Executive Director of Xstate Resources Limited. He was Managing Director of Nexus Energy Ltd. From 2004 to 2009 transforming that company from a microcap explorer to an ASX 200 Producer.

SPE Australasian Marginal Fields and New Projects Symposium

Wednesday 19th November 2014

Perspectives from Industry Leaders of the Australian Oil and Gas Industry including AGL, AWE, Oil Search, DMITRE, DNRM, Horizon Oil, Strike Energy, Schlumberger, Worley Parsons, UNSW, Macquarie Bank, PricewaterhouseCoopers, AME Group, Gaffney Cline & Associates

	By 31st October 2014	After 1st November 2014
SPE and PESA Members	\$300	\$330
Non-members	\$350	\$385
Students	\$100	\$110

RSVP: Izaz-UI Haque Izaz-UI.haque@oilsearch.com

EFT via the SPE account below:

Account Name: Society of Petroleum Engineers NSW/ACT Branch
BSB Number: 112-879
Account Number: 039670546

Please use for your reference: "Your Name" and (SPE/PESA# - if a member)

Online registration: <http://connect.spe.org/NSW/home>

Please note: Place is secured by Payment Only. Attendance is limited to 170 people

Location: The Hilton Hotel: 488 George St, Sydney

Date: Wednesday 19th November 2014

Time: 8:00 am to 5:30 PM

Sponsorships available: please contact us at nsw@spe.org

SPE Australasian Marginal Fields and New Projects **Symposium Speakers**

**Mike Roy, Head of Field Development & Alex-Kennedy Clark
Project Development Manager, AGL Energy Upstream Gas**

‘Gloucester Project- Key Challenges of Developing a Greenfield CSG Project in NSW’

Henry Irrgang, Director Irrgang Reservoir Management

‘Evaluating Marginal Fields: Human Biases and Technical Aspects’

Chris Thompson, Chief Operating Officer, Strike Energy

‘Old Rocks, Ticking Clocks; Meeting East Australia’s Gas Market Shortfall’

Andrew Fernie, Reservoir Engineer, Horizon Oil.

‘Horizon Oil’s Gas-Condensate Developments in PNG’

Matt Stone, PNG Production Facilities Manager, Oil Search

‘Implementing Effective Project Interfaces – Lessons from the PNG LNG Project’

**Mark Stone, Petroleum & Gas Operations,
Queensland Department of Natural Resources and Mines (DNRM)**

‘Framework for the Next Generation of Onshore Oil and Natural Gas in Queensland’

Zachariah John, Team Leader Geomechanics & Acoustic, Schlumberger

‘Unravelling the Mystery of Geomechanics and its Applications for New Field Development’

Steve Henzell, Senior Project Manager, Worley Parsons *Select*

‘Decision Making in Marginal Field Development Concept Selection’

SPE Australasian Marginal Fields and New Projects **Symposium Speakers**

Dr Nigel Wilson, General Manager for Exploration, Oil Search

‘New Plays in the PNG Highlands’

Adrian Starkey, Principal Reservoir Engineering Advisor, Gaffney, Cline & Associates.

‘Shale Gas production analysis: Modified Fracture Dominated flow comparisons in five US Basins and their Implications for Prospective Australian Plays’

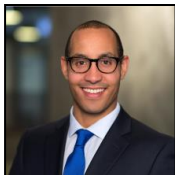

Ivan Betancourt, Regional Manager for Consulting and Project Management, Halliburton

‘Collaborative environment between the Oil & Gas Operator and the service company improves efficiency and Net Present Value of the asset’

Dr. Jon Rowse, Subsurface Manager, Oil Search Limited

‘Optimisation of a complex near field Development in PNG’

Gabe Regus, Industry Director, Oil and Gas, AME Group

‘Banking on the Competitiveness of Australasian Oil and Gas Projects’

James O'Brien, Director PricewaterhouseCoopers

‘Are Australian Projects Undervalued Relative to Other Regions?’

Philip Reichardt, Division Director Macquarie Bank

‘Collateral is King: A Banker’s view of Marginal Fields’

Symposium Sponsors

Schlumberger

HALLIBURTON

BRONZE

The Society of Petroleum Engineers (SPE) is a non-for-profit professional association whose members are engaged in energy resources development and production. SPE serves more than 124,000 members in 135 countries worldwide. SPE is a key resource for technical knowledge related to the oil and gas exploration and production industry and provides services through its publications, events, training courses, and online resources at www.spe.org.
