# *Thank you message*

*Dear delegates, friends, and sponsors,*

*On behalf of the Organizing Committee of the Petroleum Day 2012, I would like to extend my sincerest appreciation to your generous support in making this event a reality. Let me present in this report our achievements from the Petroleum Day 2012 and our future goals.*

*Thanks to our sponsors and friends, especially empowering mentor from* ***SPE Vietnam Section****, we partnered with* ***Schlumberger, TNK, Weatherford, PetroVietnam Drilling Co., PVD – Baker Hughes and Premier Oil*** *to create a platform for* ***nearly 600 dedicated students*** *from Ho Chi Minh City to explore and discuss their available options in working in oil and gas industry. Through various panels and workshops, these guest speakers shared their knowledge of applying to oil and gas companies and walked the participants step by step through the recruiting procedures. This year, we facilitated the panel discussions only to the extent that encouraged all participants to take proactive roles in expressing questions, concerns, and to build meaningful relationships. The discussions, once opened, were undoubtedly alive; we ended several sessions mid-debate to stay on schedule.*

*As our second student-led event in Viet Nam, Petroleum Day 2012 has continued to carry on our mission to empower Vietnamese youth. We have gone beyond a Petroleum Engineer community to establish a wide tangible entity, striving to close the gap between the academic and professional world of young people. Once again, I would like to express our attitude to you for helping us achieving this goal, this tremendous success.*

*We look forward to another stellar year of learning, growing, and contributing to the oil and gas industry and young people of Vietnam with your support.*

*Warmest wishes,*

*Director Board, Petroleum Day 2012.*

# About HCMUT SPE Student Chapter

## Our mission:

The mission of HCMUT SPE Student Chapter is to empower Vietnamese youth to contribute to the oil and gas industry and Vietnam's sustainable development. We organize educational and professional programs to equip Vietnamese youth with knowledge, network and support for their academic and personal achievements.

## Our people:

HCMUT SPE Student Chapter is run by qualified, committed students. Given the opportunity, with a large network of alumnae, students and young professionals, abundant experiences and resources, HCMUT SPE Student Chapter serves as a bridge connecting local youth with global youth and the students with the economy.

# PETROLEUM DAY 2012 TIMELINE

| Timing | Content | Remarks | Speaker |
|---|---|---|---|
| 08h45 – 08h50 | Opening performance | A song by the students | |
| 08h50 – 09h00 | Opening ceremony | | Prof. Nguyễn Việt Kỳ - Dean of GeoPet faculty |
| 09h00 – 09h40 | Seminar 1 | The Vietnam Oil and Gas industry overview | Mr. Lê Anh Tuấn (JX Nippon Oil and Gas Exploration Corporation) |
| 09h40 – 09h50 | Game and Performance 1 | Game about seminar 1. Dancing performance | |
| 09h50 – 10h20 | Seminar 2 | Basic drilling operations. | Mr. Mike Stefanov and Mr. Thái Tùng Lâm (TNK company) |
| 10h20 – 10h35 | Game Performance 2 Coffee break | Game about seminar 2. Magic performance | |
| 10h35 – 11h05 | Seminar 3 | Different career paths in the Oil and Gas industry. | Ms. Warattayar Srasrisuwan (Schlumberger company) |
| 11h05 – 11h15 | Game | Game about seminar 3 | |
| 11h15 – 13h30 | Lunch | | |
| 13h30 – 14h20 | Seminar 4 | The difference between contractors and service companies. Managed pressure drilling technologies. | Mr. Ben Gedge (Weatherford company) |
| 14h20 – 14h30 | Game and Performance 3 | Game about seminar 4 Magic performance | |

| | | | |
|---|---|---|---|
| 14h30 – 15h20 | Seminar 5 | Soft skills. | Mr. Nguyễn Văn Hóa (BJ – PV Drilling Joint Venture) |
| 15h20 – 15h25 | Game | About seminar 5 | |
| 15h25 – 15h55 | Seminar 6 | The First 16-in. PDC Bit and RSS Application in Vietnam. | Mr.Phạm Ngọc Sơn (PVD-Baker Hughes Co.) |
| 15h55 – 16h00 | Closing. | | |

## 1. Overview

- In order to create an opportunity for students to learn more about Oil industry, as well as connecting the employers and potential applicants, the HCMC University of Technology SPE Student Chapter organizes **PETROLEUM DAY 2012.**
- Time: 09h00 – 16h00, Friday, March 16th 2012
- Venue: Hall B4, B4 yard – HCMC University of Technology.

## 2. Indoor activities report

### 2.1 Seminar 1

- Topic: The Vietnam Oil and Gas industry overview.
- Presenter: Mr. Lê Anh Tuấn – JX Nippon Oil and Gas Exploration Corporation
- This seminar provided the students lots of essential information about the overall situation of Vietnam Oil and Gas industry. Apart from the funny way of talking from Mr.Tuan, his small presents for the students who answered the questions right also made the B4 Hall full of laugh and excitement.
- 

## 2.2 Seminar 2

- Topic: Basic drilling operations.
- Presenter: Mr. Mike Stefanov and his colleague - TNK company.

- This seminar provided the students basic knowledge about drilling works, what drillers do and how drilling machine runs. Mr. Mike has a great way of explaining difficult knowledge into simple examples, alongside with the presents he brought from TNK company, the seminar drew attention of the whole hall of students.

- 

## 2.3 Seminar 3

- Topic: Different career paths in the Oil and Gas industry.
- Presenter: Ms. Warattayar Srasrisuwan - Schlumberger company.

- This seminar offered students exciting information about what path they can choose in the Oil and Gas industry. Taking examples and using experiences from her own, Ms.Warattayar provided her talk with interesting facts until the last seconds.

## 2.4 The morning Petroleum Contest

- This multiple-choice competition tests the students general as well as technical understanding of the Oil and Gas industry, ranging from facts about companies to drilling operations and petroleum knowledge.

- The prize, a 1T hard disk drive, was given to a student with 24/30 answers right.

## 2.5 Seminar 4

- Topic: The difference between contractors and service companies - Managed pressure drilling (MPD) technologies.
- Presenter: Mr. Ben Gedge - Weatherford company.

- This seminar provided students with new and interesting information about how pressure is managed under the ground while drilling. Prepared the talk with lots of illustrations, Mr. Ben Gedge brought the students through lots of excitement with his questions and gifts from Weatherford company.

## 2.6 Seminar 5

- Topic: 7 habits of highly effective people.
- Presenter: Mr. Nguyễn Văn Hóa - BJ – PV Drilling Joint Venture.
- This soft skill seminar provided students a change in mind about simple habits that link with success. With a warm voice and sincere dedication, Mr. Hoa left the students lots of deep thought about how changing a small attitude may lead to a huge impact on the results.

## 2.7 Seminar 6

- Topic: The First 16-in. PDC Bit and RSS Application in Vietnam.
- Presenter: Mr.Phạm Ngọc Sơn - PVD-Baker Hughes Co.

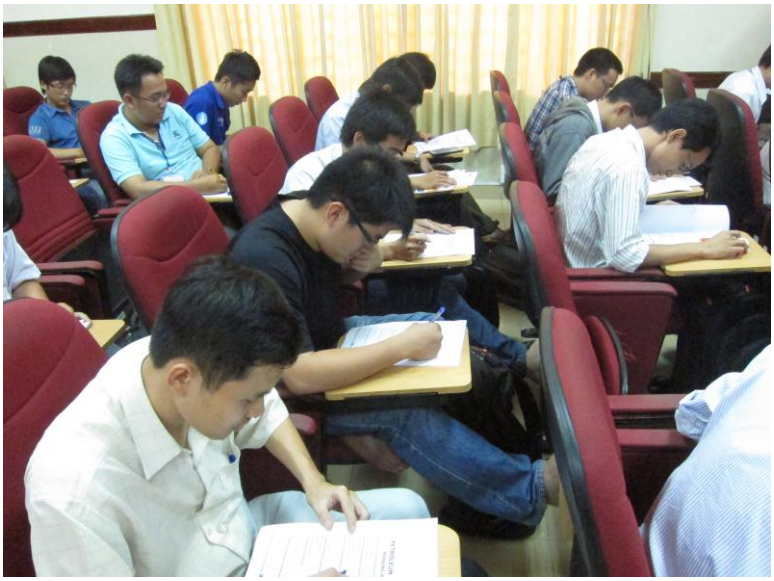

- This seminar provided students a new insight into the most-updated drilling bits and RSS Application in Vietnam of PVD-Baker Hughes. Mr. Son managed to introduce the new bits with simple explanations yet still full of essential information and great illustrations.

## 2.8 The afternoon Petroleum Contest

- Nearly 100 students attended this afternoon contest and all of the organization board were called to mark the results as quick as possible.

- The prize, a 10-MP digital camera, was given to a student with 22/30 answers right.

## 3 Outdoor activities

- Outside the B4 Hall, from morning until afternoon were 12 booths from the companies, SPE Vietnam section and HCMUT SPE Student Chapter.

- The yard was full of students all day round, coming to ask for information, talk to the companies and play small games.

## 4 Budgetary

| No. | Expenses | Unit price | Quantity | Price (VND) | Person in charge |
|---|---|---|---|---|---|
| **1** | Rent B4 Hall | 5,000,000 | 1 | 5,000,000 | Nguyen Kieu Bao Ngoc |
| **2** | Booths | 2,000,000 | 12 | 24,000,000 | Khuong Thanh Chuong |
| **3** | Posters + Banners + backdrops | | | 11,000,000 | Tran Khanh Anh Duy |
| **4** | Plaques + Trophies | 200,000 | 20 | 4,000,000 | Tran Huu Duc |
| **5** | Advertising + PR | | | 10,000,000 | Luong Van Chi |
| **6** | Printings | 3,000,000 | | 3,000,000 | Vu Truong Giang |
| **7** | Buffet | 200,000 | 80 | 16,000,000 | Pham Thi Huyen Tran |
| **8** | Coffee breaks | 50 | 200 | 6,000,000 | Nguyen Thi Thanh Truc |
| **9** | Flowers | 200,000 | 15 | 3,000,000 | Pham Thi Huyen Tran |
| **10** | Logistical expenses | 300,000 | 20 | 6,000,000 | Pham Nguyen Tuong Vy |
| **Total** | | | | **88,000,000** | |

## 5 Achievements and Improvements

- Achievements:
  - Create a bridge between the companies and students.
  - Provide students majoring in Petroleum Engineering and others necessary information and knowledge about the Oil and Gas industry of Vietnam.
  - Provide Oil and Gas companies a chance to promote the names and meet potential applicants.
  - Mark the name of the faculty of Geology and Petroleum Engineering in general and the HCMUT SPE Student Chapter in particular. Prove the management skills and organization skills of the GeoPet students.
- Improvements:
  - PR activities should be done on a wider scale, with more companies and more universities, even overseas, attending.
  - The number of attendees and feedbacks should be controlled tighter.
  - Seminar topics should not overlap each other and there should be more technical talks.

# *NUMBERS*

56 guests from Oil and Gas companies.
6 universities attended.
597+ rounds of registrations.
376 people confirmed to be attended through Facebook.
122 emails asking for information.
79 emails from interested sponsors.
12 members of Organization Board.
17 volunteers.
1 music performance. 1 magic performance and 1 dancing performance.

20 memorial glass sculptures for guests and speakers.
72 name cards for guests and organizers.
60 sets of breakfast.
200 sets of teabreak.
80 sets of lunch buffet.
15 bouquets of flowers.
1 one-tetrabyte hard disk drive.
12 four-gigabyte USBs.
2 eight-gigabye USBs.
1 10-MP camera.

8 bandrolls.
2 backdrops.
10 A0 posters at HCMUT.
10 A0 posters at HCMUS, Uni of Economy, Uni of Industry.
2 A0 posters at HCMUt dormitory.
20 A3 posters at other faculties.
12 booths for exhibitions.
300 flyers.
160 badges for organizers, guests and visitors.
67 t-shirts for organizers and guests.
100 pens with HCMUT Spe Student chapter logo.

8 A0 papers.
98 A4 papers.
150 bottles of water.
2 20-meter-diameter umbrellas
30 meters of wires
8 foam sheets
20 meters of ropes
30 meters of PVC pipes
120+ days of preparations …

# THANK YOU ONCE AGAIN
