

Your Profile

It's how members will learn about who you are; a completed profile can help facilitate networking online. Upload a profile picture! It helps put a face to the name. 😊

The screenshot shows the AACN member profile for Linda Alexander. The profile includes a photo, contact information (Anthony J. Jannetti, Inc., PO Box 56, Pitman, NJ), and sections for Bio, Import From LinkedIn, Education, and Job History. Red arrows point to the 'Add' buttons in the Bio, Contact Details, and Social Links sections, and to the 'Actions' dropdown menu under the profile picture.

Click on "Add" to edit each section.

Your main Contact Details are pulled from AACN's main database, so update your member profile on AACN's main website (www.aaacn.org) to change that information. Or, you can just call or email the National Office and someone can update it for you.
