WHO WE ARE

As the Association for Total Cost Management, **AAACE International** is the largest organization serving cost management professionals: cost managers and engineers, project managers, planners and schedulers, estimators and bidders, and value engineers.

Since 1956, **AAACE International** has provided its members with the resources they need to enhance their performance and ensure continued growth and success.

Organized in 1962, the Great Lakes Section has served the membership located in lower Michigan and Northwest Ohio.
