

Diabetes Update is coming! We urge you to take a minute **right now** to apply for a scholarship or an award. A significant amount of money is yours to be had! In addition, you are welcome to submit an application nominating someone else.

See below for links to 4 great options. Apply for a Diabetes Update scholarship (2 days of continuing ed completely paid for), Diabetes Educator of the Year (\$500 cash award) and/or a Professional Advancement scholarship (100% reimbursement for cost of your first BC-ADM or CDCES exam).

We are also looking for nominations for our “Community Service in Diabetes” award. This is for a person who is not a CDCES or healthcare provider but has had a significant impact on our local diabetes community. Please email your nomination and a few sentences as to why you think this person should be recognized to utahadces@gmail.com.
