The People-Centered Science

TEACHING OTHERS TO:

LEAD A BETTER LIFE

Family and Consumer Sciences gives you the opportunity to teach others the skills, values, and knowledge needed to live happy and successful lives.

DEVELOP LIFE AND CAREER SKILLS

By working in Family and Consumer Sciences, you have the opportunity to help others develop transferable skills that can be used in both the workplace and the home. These include leadership, problem solving, cooking, sewing, and more!

DOES THIS SOUND INTERESTING TO YOU?

Say Yes to FCS

Family is a key component of Family and Consumer Sciences. Careers in Family and Consumer Sciences allow you to instill the value of family in others and teach important skills needed to create happy homes.

BUILD STRONG FAMILIES

Through Family and Consumer Sciences you can contribute to your own community, while teaching others the importance of active citizenship.

MEANINGFULLY CONTRIBUTE TO COMMUNITIES
