Collegiate Assembly Faculty/Student Poster
Call for Proposals

AAFCS Annual Conference and Expo

Place: Hyatt Regency Baltimore Inner Harbor, Baltimore, MD

Assessment is a priority in higher education and it may focus on student outcomes; mission and program goals of a college, department, or program; an individual course; capstone experience; or other activities and events. This poster is a result of collaboration between a faculty member and student. It may come from a course or research project that fosters student growth. A poster MUST include both a faculty member and student functioning as co-authors. Faculty/students must be associated with an AAFCS accredited unit.

Send a one-page abstract of the student/faculty effort by **February 17, 2020** to:

Carol L. Anderson, Ph.D., CFCS
Director of Accreditation
canderson@aafcs.org

Include the following information in the abstract:

- Title of Project
- Name of Student(s) and Faculty Member(s) (include member number if an AAFCS member)
- Identify institution
- Objectives or Hypotheses
- Rationale
- Methodology (project design, data collection and analysis procedures)
- Findings and Discussion
- Conclusions and Implications

**Review Criteria**

- Clarity of the Abstract
- Significance of the project
- Alignment with AAFCS accreditation focus on assessment
- Timeliness of the project

If questions, contact Carol L. Anderson
