The 2020 Pantone Color Institute Color of the Year is Classic Blue. Though the hue is close to one in our Family & Consumer Sciences logo, it's the description of the color that is most reminiscent of our field, for it is a color that evokes "calm, confidence, and connection . . . this enduring blue hue highlights our desire for a dependable and stable foundation on which to build as we cross the threshold into a new era."

**Toast of Blue drink recipes courtesy of our friends at the American Council on Consumer Interests (ACCI).**

**For the cocktail version of above, use all ingredients in the Mocktail and add 3/4 oz. vodka and 3/4 oz. rum.**
