### Session 7.2: #FCSsuccess: Educational Tools
**Title:** Parenting: It's a Life
**Presenters:** Laura B. Van Waardhuizen; JoAnn Lee
**CFCS PDUs:** 0.50  
**CPFPE PDUs:** 0  
**CNWE PDUs:** 0

**Description:** Parenting: It’s a Life (PIAL) is a free, research-driven curriculum that introduces teens to life skills and the realities of being a parent. The curriculum is divided into 10 modules that can be used independently and as an enhanced coverage of FCS educators current course topics. The modules include various topics such as responsible decision-making, peer pressure, healthy relationships, resiliency and the cost of raising a child as well as more complex issues such as paternity establishment, co-parenting, and child support. The materials are available for download by educators, volunteers and community members who work with youth in grades 7th through 12th via our website. Each module is highly interactive and engages youth in thought-provoking discussions. During the presentation, a PIAL team member will showcase the innovative ways they are facilitating interactive application activities about these important topics. In addition, the PIAL team will share research being conducted that shows the positive impact PIAL outreach has on young people across the state of Iowa.

### Session 7.3: #FCSsuccess: Research & Scholarship
