Essay Section

1. Describe your personal leadership plan, vision, and professional goals for providing leadership in AAFCS for the next five to ten years. [200 words]

2. Review the participant outcomes on the [Academy Participant Information Flyer](#) at <http://www.aafcs.org/about/groups/leadership-academy> and describe in detail how you will obtain them from participation in the Academy. Also include how they will impact your leadership plan [200 words]

3. Explain your definition of leadership. In other words, what does leadership mean to you?
[50 words]

4. Describe your most significant leadership accomplishments and challenges, and reflect on what you learned about leadership and yourself as a leader through these experiences. [200 words]

5. Attach a current resume/vita (2-page limit) as part of this document. Include:
- Ongoing, active participation in AAFCS at the college, affiliate, or national levels. Include service on committees, elected positions, work with task forces, etc.
 - Service (community, regionally, nationally, internationally) activities where you provided leadership, including successful fund raising, projects, and/or programs
 - Creative projects and implementation of programs, applied research and/or scholarly activity that have contributed to the FCS knowledge base or to resolution of current problems of individuals, families, or communities.
