Welcome to the AAFCS
106TH ANNUAL CONFERENCE & EXPO • JACKSONVILLE, FLORIDA

Dear Friends and Colleagues:

On behalf of the Board of Directors, the Annual Conference Planning Advisory Committee, and the staff of the American Association of Family & Consumer Sciences (AAFCS), welcome to the AAFCS 106th Annual Conference & Expo: Family & Consumer Sciences: Advancing the Field with New Technology!

As you review our exciting conference program on pages 8 – 18, you’ll see that there are numerous ways to build your family and consumer sciences (FCS) knowledge and skills: educational sessions on Thursday, Friday, and Saturday, a special half-day healthcare workshop, a new hands-on technology lab, and exceptional keynotes from experts in the technology field! Plus, you’ll meet more accomplished FCS professionals at our Showcase Your Work Event on Saturday morning, which includes the Curriculum Showcase, Juried Design Showcase, Research Poster Presentations, and University Reunions.

We encourage you to connect with FCS professionals from various practice settings and content areas from across the country. On Wednesday night, sample local cuisine, have fun, make new connections, and raise funds for FCS public awareness activities at the “Sun & Sandals” Welcome Reception (and meet The Beekman Boys)! Drop by the Communities Networking and Sharing event for a coffee break on Thursday morning and meet our exhibitors at the Expo Grand Opening that night. On Friday, you’ll have more networking opportunities during the coffee break in the Expo and at the FCS “Great Conversations” Luncheon.

Remember, this year we have a conference app, so be sure to bookmark it on your mobile device to find session and speaker details, access session handouts and slides, view an interactive map, create your conference schedule, and receive conference alerts and updates!
