

NEW Benefit for Assembly of Higher Education (AHE) Members

**Graduates of AHE institutions receive one FREE year of
AAFCS Professional membership!**

How does it work?

1. Eligible institutions will be contacted by AAFCS each semester to determine the approximate number of baccalaureate degree candidates.
2. Redemption options:
 - a. AHE member institutions may request printed invitations or an electronic invitation to distribute to their degree candidates in the manner that best suits the institution. The invitation will include redemption instructions to take advantage of the membership gift.
 - b. AAFCS will opt-in AHE graduates to membership upon receipt of their names and emails address in a data file from the AHE member institution. If this option is chosen, digital membership certificates will be sent to the institution to distribute to their degree candidates.
3. The complimentary Professional Membership includes all the benefits paid members enjoy (*Journal of Family & Consumer Sciences* subscription, access to AAFCS webinars, conference discount, etc).

**Join and pay by the deadline to activate this fantastic
benefit for your graduates!**

Spring Deadline: Payment Received by March 31

Summer Deadline: Payment Received by June 30

Fall Deadline: Payment Received by September 30
