About [State] Affiliate of AAFCS
[Boilerplate of Affiliate]

Field of Family & Consumer Sciences
Family and consumer sciences (FCS) draws from broad and diverse disciplines to develop and provide content and programs that help individuals become more effective critical thinkers and problem solvers. Through discovery and delivery of research-based knowledge, FCS professionals help individuals and families develop essential skills to successfully live and work in a complex world. Professionals in the field are uniquely qualified to speak on many critical issues affecting individuals and families, such as maintaining a healthy lifestyle, wisely managing personal and family finances, and creating supportive relationships with family members, friends, and co-workers. They are located nationwide in a variety of practice settings, including secondary schools, universities, government agencies, and businesses.
