

**THE PAST PRESIDENTS
of the
INDIANA HOME ECONOMICS ASSOCIATION
INDIANA ASSOCIATION OF FAMILY AND CONSUMER SCIENCES**

During the eleven years prior to affiliation with AHEA, eight different presidents gave direction to the Home Economics Section of the Indiana State Teachers Association (ISTA) – during the formative years prior to becoming the Indiana State Home Economics Association. Beginning in 1970-1971, the term of the president changed from two years to one year. (*A DECADE OF CHANGE, 1972-1982, 60th Anniversary* pg. 38.) Please send any additions, updates or corrections to Peggy Wild at wildpeggy1@gmail.com.

Serving as president of this association is an honor and a privilege. Through the years, all areas of the profession and all areas of the state have had representation. From our Northern districts to our Southern borders, from our East to our West and all districts in between, capable leadership never ceases.

* Deceased
