

SEDAAG Executive Committee

President: Russ Ivy, Florida Atlantic University
Vice President: Ron Kalafsky, University of Tennessee
Treasurer: Sharon Cobb, University of North Florida
Secretary: Josh Inwood, University of Tennessee
Councilor: Derek Alderman, East Carolina University
Past President: Derek Alderman, East Carolina University

SEDAAG Steering Committee

Members of the Executive Committee (see above)

Editors, *Southeastern Geographer*: Robert Brinkmann and Graham Tobin,
University of South Florida
Incoming Editors, *Southeastern Geographer*: Andy Reese, David Cochran, University of Southern
Mississippi
Student Representative: Cheryl Nye, Georgia State University
State Representatives
Alabama: Justin Hart, University of Alabama
Florida: Charles Roberts, Florida Atlantic University
Georgia: Katherine Hankins, Georgia State University
Kentucky: Alice Jones, Eastern Kentucky University
Mississippi: Kathleen Sherman-Morris, Mississippi State University
North Carolina: Michael Lewis, University of North Carolina-Greensboro
South Carolina: Mark Long, College of Charleston
Tennessee: Micheline van Riemsdijk, University of Tennessee
Virginia: Henry Way, James Madison University
West Virginia: Kevin Law, Marshall University

2011 Local Arrangements Committee

Rob Yarbrough, Georgia Southern University
Mark Welford, Georgia Southern University
Tom Howard, Armstrong Atlantic State University

Special Thanks to:

Department of Geology and Geography, Georgia Southern University and Jeff Underwood, Chair
Armstrong Atlantic State University and Laura Barrett, Dean of Liberal Arts

2011 SEDAAG Program Committee

Ron Kalafsky, SEDAAG Vice President and Program Chair, University of Tennessee

Katie Algeo, Western Kentucky University
Kamal Alsharif, University of South Florida
Chris Badurek, Appalachian State University
Tom Bell, Western Kentucky University
Jennifer Collins, University of South Florida
Altha Cravey, University of North Carolina – Chapel Hill
Tom Crawford, East Carolina University
Bill Graves, University of North Carolina – Charlotte
Peggy Gripshover, Western Kentucky University
Joshua Inwood, University of Tennessee
Hyun Kim, University of Tennessee
Scott Lecce, East Carolina University
Joe Morgan, Jacksonville State University
Ben Shultz, University of Tennessee
Mark Spond, Appalachian State University
Greg Taff, University of Memphis
Rajiv Thakur, University of Tennessee
Saskia van de Gevel, Appalachian State University
Qingfang Wang, University of North Carolina – Charlotte
Henry Way, James Madison University

Officers, Association of American Geographers

President:	Audrey Kobayashi, Queen's University
Vice President:	Eric Sheppard, University of Minnesota
Secretary:	Jennifer Zorn, California State University – San Bernardino
Treasurer:	Amy Glasmeier, Massachusetts Institute of Technology
Past President:	Kenneth Foote, University of Colorado at Boulder
Executive Director:	Doug Richardson, Association of American Geographers

SEDAAG Honors Committee

Lisa Davis, Chair, University of Alabama
Dawn Bowen, Chair Elect, University of Mary Washington
David Holt, University of Southern Mississippi
Ray Oldakowski, Jacksonville University
Jason Senkbeil, University of Alabama

World Geography Bowl Committee

Jamison Conley, West Virginia University, Chair
Laurence W. Carstensen, Virginia Tech
Thomas Bell, University of Tennessee
Peggy Gripshover, Western Kentucky University
Jeff Neff, Western Carolina University
Dawn Drake, Winona State University
Harry Trendell, Kennesaw State University
George Lonberger, Georgia Perimeter College

Program at a Glance

Sunday, November 20, 2011

Field Trips

All trips meet in the lobby of the Hyatt

6:30am	Long-leaf Pine Forests and Red-cockaded Woodpeckers at Ft. Stewart , led by the base's Wildlife Ecologist, Larry Carlile (returns at 11:30am) \$5
10:00am	Walking Tour of Savannah's Historic District , led by Robert Keber, Retired geographer (Georgia College & State University) and tour guide in Savannah
12:00pm	Sea Level Rise along the Georgia Coast , a boat trip led by John Crawford, naturalist at the University of Georgia Marine Extension Service on Skidaway Island (returns at 5 PM) \$25
2:00pm	Walking Tour of Savannah's Historic District , led by Robert Keber, Retired geographer (Georgia College & State University) and tour guide in Savannah

SEDAAG Registration

10:00am-12:30pm

2:30pm-6:00pm

Announcement of Winning teams
and formation of the all-star team

Event Organizers:

World Geography Bowl Committee
Jamison Conley, West Virginia University, Chair
Laurence W. Carstensen, Virginia Tech
Thomas Bell, University of Tennessee
Peggy Gripshover, Western Kentucky University
Jeff Neff, Western Carolina University
Dawn Drake, Winona State University
Harry Trendell, Kennesaw State University
George Lonberger, Georgia Perimeter College

Moderators:

Harry Trendell, Kennesaw State University
Dawn Drake, Winona State University
Chris Badurek, Appalachian State University
Jeff Neff, Western Carolina University
Tom Bell, University of Tennessee

Judges:

Christa Smith, Clemson University
Don Yow, Eastern Kentucky University
George Lonberger, Georgia Perimeter College
Kelly Watson, Eastern Kentucky University
Peggy Gripshover, Western Kentucky University

Official Scorekeepers:

Arleen Hill, University of Memphis
James E. Young, Appalachian State University

Teams and State

WGB Coordinators: Alabama: Jason Senkbeil, University of Alabama
Florida: Jason Ortegren, University of Western Florida
Georgia: Katherine Hankins, Georgia Southern University
North Carolina: Jay Lennartson, University of North Carolina at Greensboro
South Carolina: Jerry Mitchell, University of South Carolina
Tennessee: Micheline van Riemsdijk, University of Tennessee
Virginia: Dawn Bowen, University of Mary Washington
West Virginia: Thomas Saladyga, Concord University

6:15pm-7:45p Graduate Honors Poster Competition Ballroom DEF

Conference Opening Session Ballroom ABC
8:00pm-9:00pm

Welcome: Russ Ivy, SEDAAG President, Florida Atlantic University
Introduction of Key Note Speaker: Mark Welford, Georgia Southern University
Keynote Address: Janisse Ray
Closing Remarks: Russ Ivy, SEDAAG President

Welcome Reception

9:00-11:00 Food and Cash Bar Garden Terrace
Entertainment: Eddie Wilson Trio with Huxsie Scott

Monday, November 21, 2011

SEDAAG Registration

7:30am to 12:00pm Hyatt 2nd Floor Lobby

Papers, Posters, and Panel Discussions

8:00am-9:40am

Poster Session: Human Geography I	Ballroom DEF
Panel Session: Geography Education	Scarborough III
Paper Session: Graduate Student Honors Papers (Masters)	Percival
Paper Session: Economic Geographies I	Vernon
Paper Session: Race and Place	Verelst
Paper Session: Urban Geographies	Sloane
Paper Session: Land Use, Water Quality, and the Environment	Scarborough I

10:00am-11:40am

Panel Session: Geography Education: Online Teaching	Scarbrough IV
Paper Session: Graduate Student Honors Papers (PhD)	Percival
Paper Session: Economic Geographies II	Vernon
Paper Session: Coastal Geography	Verelst
Paper Session: Geographies of Faith, Religion, and Ethnicity	Sloane
Paper Session: Applications of GIS and Remote Sensing I	Scarbrough I

10:15am-12:00pm

Poster Session: Human Geography II	Ballroom DEF
------------------------------------	--------------

11:00am-2:00pm

Department Displays

1:00pm-2:15pm

Poster Session: Physical Geography II	Ballroom DEF
---------------------------------------	--------------

1:00pm-2:40pm

Panel Discussion: Troy Davis Execution: Life and Death in the Racial State	Scarbrough IV
---	---------------

Panel Discussion: Gullah/Geechee Communities in the Changing Lowcountry Landscape	Percival
--	----------

Paper Session: Geographies of Tourism: Performances and Narratives	Scarbrough III
Paper Session: Cultural Geographies	Verelst
Paper Session: Urban Geographies II	Sloane
Paper Session: Applications of GIS and Remote Sensing II	Scarbrough I
Paper Session: Economic Geographies III	Vernon

2:45pm-4:00pm

Poster Session: Physical Geography II	Ballroom DEF
---------------------------------------	--------------

3:00pm-5:00pm

Paper Session: Geographies of Tourism: Journeys and Transformations	Scarbrough III
--	----------------

Paper Session: The Continuing Significance of the Racial State	Scarbrough IV
Paper Session: Severe Weather Hazard Perception	Vernon
Paper Session: Landscape and Meaning	Verelst

Paper Session: Dendrochronology, Forest Geography, and Climate Change	Sloane
--	--------

Paper Session: Environment and Ecology I	Scarbrough I
--	--------------

Panel Session: Graduate School 101: For Undergrads,
Grads, and Even Professors

Scarborough III

World Geography Bowl

5:45pm –7:15pm

Championship Event

Ballroom ABC

World Geography Bowl Chair: Jamison Conley, West Virginia University

Moderators:

Judges:

Warm-up Round: Student All-Stars vs. Professional Dream Team
Student All-Star Team: Members from Six Preliminary Round Non-finalist Teams
Professional Dream Team:

Championship Round:

Top two state teams from the Southeast Division compete in a single
Championship Round, winner takes all. Trophies to the winning team and
to the Most Valuable Player.

Honors Banquet

Harborside Center

7:30pm-10:00pm

Presiding: Lisa Davis, Honors Committee Chair

Presentation of Awards

Honors Address: Audrey Kobayashi, President, AAG

Closing Remarks: Russ Ivy, President, SEDAAG, Florida Atlantic University

Tuesday, November 22, 2011

Papers, Posters, and Panel Discussions

8:00am-9:40am

Business Meeting

Ballroom ABC

10:00am-12:00pm

Presiding: Russ Ivy, SEDAAG President, Florida Atlantic University

Adjournment

Have a safe trip home!

2011 SEDAAG ANNUAL MEETING

Note that each paper time slot is 20 minutes long: 15 minutes for the paper presentation followed by 5 minutes of audience/presenter discussion. Please respect the chairperson's time cues.

Sunday, 6:15 pm – 7:45 pm

Poster Session: Graduate Honors Competition Posters

Ballroom DEF

Sara Gleave, UNC-Charlotte: *Can a Neighborhood “Built to Fail” Reverse the Trend? Qualitative Analyses of Windy Ridge, Charlotte, NC.*

Pete D. Akers, University of Georgia: *Climate Change during the Maya Classic & Postclassic derived from a Belizean stalagmite.*

Derrick Scott, University of Maryland, Columbus State University: *The Impact of the Housing Choice Voucher Program on the Anacostia Housing Market.*

Hilton Cordoba, Florida Atlantic University: *Cultural and Spatial Perceptions of Miami's Little Havana.*

Onyumbé Lukongo, Mississippi State University: *Quantify and Explaining Landcover Changes in the District of Goma, Democratic Republic of Congo.*

Whalen W. Dillon, University of North Carolina at Charlotte: *Multiscale analysis of disease-environment relationships in a heterogeneous landscape.*

Kabindra Joshi, Mississippi State University: *A Geodetic Method to Calculate Mass Balance of Nuptse & Its Surrounding Glaciers in Nepal.*

Kelly C. Kingon, Florida State University: *Mapping nearshore hardbottom habitat on a tight budget.*

Peng Jia, University of Florida: *Mapping small-scale distribution of improved sanitation in Kenya.*

Monday, 8:00 am – 9:45 am

Poster Session: Human Geography

Ballroom DEF

Michael Nesius, Florida State University: *Ruralization of the Urban: Visualizing Social Networks of Locally Grow Food using Thiessen Polygons.*

Erica Carlsson, University of Florida: ***Indigenous Ye'kwana Artisans of Southern Venezuela: Harvesting Practices, Conservation and Development.***

Dylan Philyaw and Christopher A. Badurek, Appalachian State University: ***Mixed-Methods Analysis of Media Communication of the Deepwater Horizon Oil Spill Disaster.***

Keri Agriesti, Virginia Tech: ***Gendered Perspectives for Conservation Agriculture: Mapping Gendered Landscapes and Local Soil Knowledge in Sank'ayani Alto, Bolivia.***

Rob Batson, University of North Alabama: ***A Geo-anthropological Survey of Two Unique Southern Cultures: A Case Study of the Gullah and the Southern Highlander.***

Kate Billups and MacKenzie Price, University of Richmond: ***The Gambles Mill Corridor: Mapping Sustainability of Transport and Environment.***

Ying Wang, University of Florida: ***A Spatial-Temporal Analysis of Influenza Clusters in Florida.***

David Holt, Tim Sutherlin, Brennan Collins, Megan Moran, Christina Skadowski, University of Southern Mississippi: ***Mapping the City Cemetery of Long Beach, Mississippi Post Katrina.***

Margaret M. Gripshover, Western Kentucky University and Thomas L. Bell, University of Tennessee and Western Kentucky University: ***Patently Good Ideas: Innovations and Inventions in U.S. Onion Farming, 1883-1939.***

Brennan Collins, University of Southern Mississippi: ***City of Long Beach Mississippi: Emergency Response Address Update.***

Caelia Wysocki, University of West Georgia: ***Campus Sustainability at the University of West Georgia.***

Benjamin Lundberg, The University of Alabama at Tuscaloosa: ***Accessibility and University Populations: Effects on Non-Motorized Transportation in the Tuscaloosa-Northport Area.***

Katherine Jones and Christopher J. Mansfield, East Carolina University: ***Interactive Web-Based Mapping of Health and Social Factors in North Carolina.***

Kathryne Henderson, Dr. Brian Bossak, Dr. Mark Welford, Georgia Southern University: ***GIS Analysis of Mortality Clines in Relation to Transportation Networks during the Medieval Black Death.***

Adam R. Middleton, Justin B. Marsh, Dr. Brian H. Bossak, Dr. Mark R. Welford
Georgia Southern University: ***GIS Modeling of Medieval Black Death Velocity.***

Mollie Nunez, University of Southern Mississippi: ***Ancient Civilizations in the American Southwest.***

Andrew Davidson, Mark Welford, and Brian Bossak, Georgia Southern University: *Disputed Causality of the Justinian Plague: A Solution through Spatio-temporal Mapping.*

Thomas Justin Rice, Columbus State University: *Enhancing Awareness and Understanding by Applying Perceptual Mapping and Public Participation GIS: Safe Routes to School.*

Lauren Sams, Korine Kolivras, Jennie Hill, Virginia Tech: *Measuring Access to Recreational Facilities in Danville, Virginia.*

Nicholas Campiz, University of Florida: *Utilizing an islands studies approach to local government development in the Caprivi Strip of Namibia.*

Cindy Shaw, Florida Atlantic University: *Foreclosure Effects: the Changing Green Landscape in Pompano/Deerfield Beach Florida.*

Monday, 8:00 am – 9:40 am

Panel Session: Geography Education: College Board, Gen Ed., and APHG Scarbrough III

Organizer: Sharon C. Cobb, University of North Florida

Chair: Sharon C. Cobb, University of North Florida

Panel Members: Eric J. Fournier, Samford University; Heidi Lannon, Santa Fe College; Heather Monroe-Ossi, Florida Institute of Education Stephanie Wehry, Florida Institute of Education; Ray Oldakowski, Jacksonville University; Sharon C. Cobb, University of North Florida

Paper Session: Graduate Student Honors Papers (Masters)

Percival

Organizer: SEDAAG Honors Committee

Chair: Lisa Davis, University of Alabama

8:00 – Janie Forbes, Florida Atlantic University: *Statistical Analysis of DMSP-OLS Night Light Images and Economic Activity in Florida.*

8:20 – Michael Griffin: East Carolina University: *Estimating Future Water Resource Health in the Lower Cape Fear Basin, North Carolina.*

8:40 – Craig Ramseyer: University of Georgia: *Forest Fire Aerosol Forcing of Precipitation along the U.S. South Atlantic Coast.*

9:00 – Kelsey Mulder, East Carolina University: *Likelihood to Respond to Flash Flooding: Case Study of Boulder, Colorado.*

9:20 – Demetrice Jordan, Georgia State University: *Characterizing the Environmental and Community Factors of Cancer Risk in Galena Park, Texas.*

Paper Session: Economic Geographies I

Vernon

Chair: Micheline van Riemsdijk, University of Tennessee

8:00 – Madhuri Sharma, University of Tennessee: *Informal Economy and Labor Segmentation: A Preliminary Analysis of NCT-Delhi.*

8:20 – Matthew Fahrenbruch, Southern Mississippi University: *An Examination of Shifting Economic Conditions and Changing Vulnerabilities in San Juan del Sur, Nicaragua Since The 1992 Nicaraguan Tsunami.*

8:40 – Micheline van Riemsdijk: *Global Competition and Talent Acquisition: The Information Technology Industry in Bangalore.*

9:00 – Heath Robinson, University of South Florida: *An Aspatial Economics? The Economic Geography of World of Warcraft.*

Paper Session: Race and Place

Verelst

Chair: Tom Chapman, Old Dominion University

8:00 – Zac Henson* and Genevieve Munsey**, University of California* and San Francisco State University**: *Race, Space, Habitus: Segregation and Local Food in Birmingham, Alabama.*

8:20 – Jonathan Leib and Tom Chapman, Old Dominion University: *“Escape From the H-Bomb”: Jim Crow Segregation and the Geographies of Civil Defense Planning in Cold War-Era Savannah, Georgia.*

8:40 – Bronwen Lichtenstein and Joe Weber, University of Alabama: *Race, Income Disparities and Mortgage Foreclosure in Tuscaloosa County, Alabama.*

9:00 – Adam Bledsoe, University of North Carolina: *Pieces of the Puzzle: Processes of Racialization in Salvador, Brazil.*

Paper Session: Urban Geographies I

Sloane

Chair: Henry Way, James Madison University

8:00 – Katherine Hankins, Georgia State University and Deborah Martin, Clark University: ***Neighborhood as a Place for (Urban) Politics.***

8:20 – Henry Way, James Madison University, Aylin Ludwig, Buro Happold, Bath, UK, Celia Way, University of Bristol, UK: ***The Geographical Challenge of Shrinking Cities: Infrastructure and Water.***

8:40 – Robert Oliver, Virginia Tech: ***The Legacies of Losing: Rethinking the ‘failure’ of Toronto’s Olympic Games Bids.***

9:00 – Jennifer Speights-Binet and Eric Fournier, Samford University: ***Degrees of Cooling: Creative Class Language and Revitalization Efforts in Birmingham, Alabama.***

9:20 – Shimantini Shome, Concord University: ***Rebuilding Lives in a Midwestern City: The Case of Somali Refugees in Kansas City.***

Paper Session: Land Use, Water Quality, and the Environment

Scarborough I

Chair: Scott Markwith, Florida Atlantic University

8:00 – Jennifer Alford, UNC-Greensboro: ***Land-Use and Water Quality in the Cape Fear River Basin, North Carolina: A Research Agenda.***

8:20 – Caiyun Zhang, Zhixiao Xie, Charles Roberts, Leonard Berry, Florida Atlantic University: ***Salinity Assessment in the Northeastern Florida Bay Using Landsat TM Data.***

8:40 – Dean Monette and Scott Markwith, Florida Atlantic University: ***Hydrochory in the Florida Everglades.***

9:00 – Felicia Survis and Tara Root, Florida Atlantic University: ***An Overview of Challenges in Estimating Lawn Water Use and a Discussion of Alternative Methods.***

9:20 – Kelly Watson, Eastern Kentucky University: ***Exclusionary public land management and the impacts on forest-dependent livelihoods: a case study of honey producers in Northwest Florida.***

Monday, 10:15am – 12:00pm

Poster Session: Human Geography II

Ballroom DEF

John B. Strait. Sam Houston State University: *Ethnic Diversity in Houston, Texas: The Evolution of Residential Segregation in the Bayou City, 1990-2000.*

Charles J. Altendorf and Tiffany N. Mullins, Department of Geography, University of Kentucky: *Presbytery Votes on Ordaining LBG as Church Officers: Majority Approves Amendment.*

Janna Caspersen & Daniel Swedien, University of Wisconsin – Eau Claire and East Carolina University: *Race in the Memphis & Shelby County School District.*

Alison Murray and Derek H. Alderman, Center for Sustainable Tourism, East Carolina University: *Navigating the Terrain of Discrimination: Mapping The Green Book and African American Tourism during Jim Crow.*

Clifton 'Skeeter' Dixon and Suzanne Struve, The University of Southern Mississippi and Blinn Community College: *Toponymy of Hispanic Place Names in the Southeastern United States.*

Nelson Holden, North Carolina Central University and Timothy Mulrooney, North Carolina Central University: *Exploring Patters of DUI Fatalities Across the United States*

Andrew T. Mosley, Mark R. Welford, and Brian H. Bossak, Georgia state University: *Identifying Medieval Black Death Etiology using Mortality data from Spain and Portugal between 1351-1801.*

Courtney N. Thompson, University of Alabama: *The Impact of Social Network Communication During the April 27, 2011 Tuscaloosa, Alabama Tornado.*

Scott Markley and Jill Stackhouse, Georgia State University: *Wage and Employment potential in GIS-Related Fields: A spatial analysis of job opportunities in the continental United States.*

Austin Valk and Jill Stackhouse, Georgia State University: *Rights Movement in St. Augustine, Florida: Using Web-Based and Three-Dimensional Mapping for a Community Outreach Project.*

Shae Prater, Eastern Kentucky University: *Retail Drinking Water Shelf Space as a Measure of Perceived Water Quality in Southern Appalachia*

Jessica Whitley, Sunneva Stoner, Michael Waegerle, Christopher Gentry, Austin Peay State University: *A Stitch in Time: National Civil War Quilt Trail.*

Tyrel Moore and John Metcalf, UNC Charlotte: *The Carolina Thread Trail: Common Threads in Regional Heritage and Place-Making.*

Roy Riner and Jill Stackhouse, Georgia State University: *High-end Automobile Sales in the Southeast (2009-2010): South Carolina, Georgia and North Florida.*

Charlynn Byrd, University of Tennessee: *Creative Class Afoot: Migrating Engineers and Artists.*

Orion M. Stand-Gravois and Philip L. Chaney, Auburn University: *A Geographical Investigation of Auburn University Football Fans.*

Maria Elisa Christie, Candice Luebbering, Keri Agriesti, Megan Byrne, Kellyn Montgomery, Emily Van Houweling, Laura Zselezky, Mary Harman, Virginia Tech: *Gender and Participatory Mapping: Local Knowledge and Empowerment in Development Research.*

Jonathan Wells, University of West Georgia: *Food resources at the University of West Georgia.*

Laura Zselezky¹, Dr. Maria Elisa Christie¹, Joyce Haleegoah² and Dr. Awere Dankyi²,¹Virginia Tech;
²Crops Research Institute, *Ghana: Exploring Gender Relations and Pest Management in the Brong-Ahafo Region of Ghana.*

Jamie L. Strickland and Phillip D. Goins, UNC Charlotte: *Age Composition and Population Change in the Outer Banks and Coastline Counties of North Carolina.*

Godwin Djietror, Marshall University: *Understanding Municipal Code Violation in the City of Mount Pleasant, Michigan, 1998-2008.*

Monday, 10:00 am – 11:40 am

Panel Session: Geography Education: Online Teaching

Scarborough IV

Organizer: William Terry, Clemson University

Chair: William Terry, Clemson University

Panel Members: Natalie Jensen, Augusta State University; Christa Smith, Clemson University; William Terry, Clemson University

Paper Session: Graduate Student Honors Papers (PhD)

Percival

Organizer: SEDAAG Honors Committee

Chair: Lisa Davis, University of Alabama

10:00 – Sara Haas, UNC-Charlotte: *Forest species diversity reduces disease risk in a generalist plant pathogen invasion.*

10:20 – George Roedl, West Virginia University: *Quantification of single- and multi-jurisdiction space-time interaction differences.*

10:40 – Peter Wood, Florida State University: *Borders, Geopolitics and International Crime in the Triple Frontera.*

11:00 – Elizabeth Delmelle, UNC-Charlotte: *Trajectories of multidimensional neighborhood quality of life change.*

11:20 – Justin Maxwell, UNC-Greensboro: *Examining Tupelo Honey Yield Decline using Nyssa ogeche Tree-Rings.*

Paper Session: Economic Geographies II

Vernon

Chair: Dawn Drake, Winona State University

10:00 – Ron Kalafsky, University of Tennessee: *Expanding Markets: FDI as a Lesson in Economic Geography.*

10:20 – Bill Graves, University of North Carolina at Charlotte: *Scale Deafness: The Political Response to Geographically Informed Economic Policy.*

10:40 – Dawn Drake, Winona State University: *Using Double Diamond Models to Explain Domestic Assembly Plant Locations for the US Farm Machinery Industry.*

11:00 – Jonathan Kozar, University of North Carolina at Charlotte: *The Intra-Metropolitan Distribution and Growth of Computer Services in the United States.*

Paper Session: Coastal Geography

Verelst

Organizer: Jennifer Rahn, Samford University and Katherine Renken, Louisiana State University

Chair: Katherine Renken, Louisiana State University and Jennifer Rahn, Samford University

10:00 – Shivangi Prasad, Florida Atlantic University: *Vulnerability to Catastrophic Hurricanes in Northeast US.*

10:16 – Eric Spears, Mercer University: *Spatial Politics & Environmental 'Barriers': Conceptualizing the 'Nature' of Scale and Development on Jekyll Island, Georgia.*

10:32 – Nate Kettle, University of South Carolina: *Climate Change Adaptation Planning in Coastal South Carolina.*

10:48 – Joanne Halls, UNC-Wilmington: *An Investigation of Changes in Barrier Islands Using 3D Modeling.*

11:04 – Paul Gares, East Carolina University: *Using LIDAR to Monitor Long-Term Topographic Changes on Barrier Island Systems.*

11:20 – Tom Crawford, Tom Allen, Laurynas Gedminas, Donna Kain, Nick Murray, East Carolina University: *A Comparison of Hurricane Advisory Map Performance Using Eye-Tracking and Biometric Measures.*

Paper Session: Geographies of Faith, Religion, and Ethnicity

Sloane

Chair: Matthew Robinson: Virginia Tech

10:00 – Caitie Finlayson, Florida State University: *Spaces of Faith: Incorporating Emotion and Spirituality in Geographic Studies.*

10:20 – Claire Bolton, University of Georgia: *For I was a stranger and you invited me in: Homelessness and Catholic Worker politics in metropolitan Atlanta.*

10:40 – Matthew Robinson: Virginia Tech: *The Church Telling Local Homeless to "Come to Our House".*

11:00 – Mary Caravelis, Barry University: *Greek-American Communities in North Carolina.*

Paper Session: Applications of GIS and Remote Sensing I

Scarborough I

Chair: Neil Debbage, University of Georgia

10:00 – Roy Stein, UNC-Greensboro: *Geophysical Remote Sensing at Guilford Courthouse National Military Park.*

10:20 – Neil Debbage, University of Georgia: *Sky-View Factor Estimation: A Case Study of Athens, Georgia.*

10:40 – Zhuojie Huang, Aniruddha Das, Andrew J Tatem, Youliang Qiu, University of Florida: *Web-based GIS Design for the Vector-Borne Disease Airline Importation Risk (VBD-Air) Tool.*

11:00 – Chris Badurek and Yuri Potawsky, Appalachian State University: *GIS Analysis of Parcel Density and Value near Public Lands in Western North Carolina.*

11:20 – Toni Alexander, Auburn: *Using Geospatial Technologies to Preserve Cultural Landscape: Archiving Toomer's Oaks.*

Monday, 11:00-2:00 pm

Poster and display session: Departmental displays and posters

University of North Alabama
University of Tennessee
Florida Atlantic University

Monday, 1:00 pm – 2:15 pm

Poster Session: Physical

Ballroom DEF

Scott A. Lecce (East Carolina University), Robert T. Pavlowsky (Missouri State University), Mark Owen (Missouri State University), and Derek J. Martin (University of Tennessee): *Storage of Mining Sediment in Floodplain Deposits of the Big River, Missouri.*

Mario Mighty, University of Florida: *Exploring Changes in the Vegetation Biomass Cycles in Jamaica: February 2000 to November 2010.*

Scott Curtis, East Carolina University: *In the Eye of the Storm: A Participatory Human-Environment Course on Coastal Storms.*

Peter T. Soule, Appalachian State University and Paul A. Knapp, The University of North Carolina-Greensboro: *A comparison of the climatic drivers for radial growth between co-occurring ponderosa pine and Douglas-fir trees in the northern Rockies.*

Nicholas Haney and Dr. Kelly D. Gregg, Jacksonville State University: *Using GIS to select appropriate sites for the re-introduction of Sarracenia oreophila (Green pitcher plant) into Little River Canyon National Preserve, northeastern Alabama.*

William J. Stangler, University of South Carolina: *Investigating the Environmental Controls on the Distribution of the Rare Aquatic Plant *Hymenocallis coronaria* at Multiple Scales.*

Monday, 1:00 pm -2:40 pm

Panel Discussion: Troy Davis Execution: Life and Death in the Racial State Scarbrough IV

Co-Organizers: Joshua Inwood, University of Tennessee and Thomas Chapman, Old Dominion University

Discussion Participants:

Tom Chapman, Old Dominion

Nik Heynen, University of Georgia

Audrey Kobayashi, Queens University

Bobby Wilson, University of Alabama

James Tyner, Kent State University

**Panel Discussion: Gullah/Geechee Communities in the Changing Lowcountry Landscape
Percival**

Organizer and Chair: Brian Grabbatin, College of Charleston

Session Sponsor: Studies of the American South Specialty Group

Discussion Participants:

Mike Finewood, Chatham University

Cari Goetcheus, Clemson University

Brian Grabbatin, University of Kentucky

Melissa D. Hargrove, University of North Florida

Annette Watson, College of Charleston

Paper Session: Geographies of Tourism: Performances and Narratives Scarbrough III

Session Organizers: Derek H. Alderman, East Carolina University, E. Arnold Modlin, Jr., Norfolk State University & Louisiana State University, Huili Hao, East Carolina University

Session Sponsor: Center for Sustainable Tourism, East Carolina University

Chair: Terri Moreau, Royal Holloway, University of London

1:00 – Glenn W. Gentry, SUNY-Cortland: *Are Ghosts Present? Time and Memory in Savannah's Ghost Tourism.*

1:20 – Adam Keul, Florida State University: *Bon Temps Tourism: Selling Cajun without Selling Out?*

1:40 – E. Arnold Modlin, Jr., Norfolk State University & Louisiana State University: *Beyond Escapism: Engaging in the Difficult Memory Work of Race and Slavery at a Southern Plantation Museum.*

2:00 – Perry L. Carter, Texas Tech University, and David L. Butler, University of Southern Mississippi: *Place Narratives and their Audiences: Laura Plantation Museum, Vacherie, Louisiana.*

2:20 – Derek H. Alderman, East Carolina University, and Michaelina Antahades, East Carolina University: *The Politics of Southern Hospitality and the Great “White” Outdoors: The Visibility of African Americans in State Travel Guide Photographs.*

Paper Session: Urban Geographies II

Sloane

Chair: Rebecca Walter, Florida Atlantic University

1:00 – Rebecca Walter, Florida Atlantic University: *The Socioeconomic Impact of Low-Income Housing Tax Credit Projects on Qualified Census Tracts in the Southeast.*

1:20 – Joe Morgan and Holly Park, Jacksonville State University: *Micro-Stratification: An analysis of urban residential structure using a social stress index derived from U.S. Census block level data – Gadsden Alabama, a case study.*

1:40 – Timothy Hawthorne* and Mei-Po Kwan**, *Georgia State University and **Ohio State University: *Exploring Urban Health Disparities with Qualitative Inquiry.*

2:00 – Josh Garland, UT-Chattanooga: *Reconstructing the Image of a City: An Examination of Urban Revitalization in Chattanooga, Tennessee.*

2:20 – Bradley Bereitschaft and Keith Debbage, UNC-Greensboro: *A comparative assessment of urban form among U.S. metropolitan and megapolitan areas using spatial metrics.*

Paper Session: Applications of GIS and Remote Sensing II

Scarborough I

Chair: Jamison Conley, West Virginia University

1:00 – Timothy Mulrooney, Garrett Love, LaDonna Brown, North Carolina Central University: *Using GIS to Address Food Availability in Durham, North Carolina.*

1:20 – Brian Johnson, Florida Atlantic University, Ryutaro Tateishi, Center for Environmental Remote Sensing, Chiba University, Zhixiao Xie, Florida Atlantic University: *Image classification using geographically-weighted variables.*

1:40 – Dajun Dai and Fahui Wang, Georgia State University: *A GIS-based approach to evaluate spatial accessibility to food stores and a case study in southwest Mississippi.*

2:00 – Ram Alagan and Seela Aladuwaka, Alabama State University: *Participatory GIS in Zoning Plan: Case Study Madu Ganga Estuary, Sri Lanka.*

2:20 – Jamison Conley, Rachel Stein, Clinton David, West Virginia University: *The Spatial Extent of Neighborhood Influence on Residential Perceptions of Physical Disorder.*

Paper Session: Cultural Geographies

Vereist

Chair: Melanie Barron, University of Tennessee

1:00 – Melanie Barron, University of Tennessee: *Considering Schools in Context: Should School Experiences Impact the Ways We Think About Policy?*

1:20 – Philip Steinberg, Florida State University: *Putting Mediterranean Metaphors to Work: The Politics of Mediterraneanization in the Gulf/Caribbean and the Arctic.*

1:40 – Amanda Rees, Columbus State University: *Delhi Belly and the Geography of Censorship in Indian Cinema.*

2:00 – Andrew Norris, University of Southern Mississippi: *Contested Space: the Mexican Periphery following the end of the Social Property Era.*

2:20 – Eric Nost, University of Kentucky: *“Where to Have it”: Local Foods as Communities or Commodities?*

Paper Session: Economic Geographies III

Vernon

Chair: Susan Walcott, University of North Carolina at Greensboro

1:00 – Matthew Cox, Northwest Florida State College: *Tourism and Development in Bimini, The Bahamas.*

1:20 – Michael Pretes, University of North Alabama, Vagn K. Hansen, University of North Alabama, Matthew D. Balentine, University of North Alabama, Gerald R. Webster, University of Wyoming: *Geospatial Aspects of Wine Law in the United States.*

1:40 – Susan Walcott, University of North Carolina at Greensboro: *Transition in American Agriculture: Specialty Crops with a Conscience.*

2:00 – Tara Bengle, UNC-Charlotte: *Employing Evolutionary Geography to Inform the Future of a Southern Textile Mill Community.*

Monday, 2:45 pm – 4:00 pm

Poster Session: Physical

Ballroom DEF

Meganne Rockman, University of Alabama: *The Role of Hurricane Intensity and Track on Evacuation Decision Making of Pensacola, FL Residents.*

Brittney Markle, Katherine Correll, Arleen Hill, University of Memphis: *Environmental Change in the Wake of a Hurricane: A MS Gulf Coast Case Study.*

Ona Strikas, James B. Elsner, Florida State University: *Modeling cloud-to-ground lightning along an urban gradient.*

Jessica Sipe, Christopher Gentry, Jeffery Kapke, Patrick Pierce, and Chianne Smith, Austin Peay State University: *Analysis of Meteorological Triggers of Mountain-Valley Breezes in the Sangre de Cristo Mountains of Colorado.*

Kelly M. Ervin, Philip L. Chaney, John W. Cottier, Auburn University: *Spatial Evidence for Culture Change at Hickory Ground, a Multi-Component Archaeological Site in Elmore County, Alabama.*

Gensini, Victor and Bedel, Anthony, University of Georgia: *The Tornado Outbreaks of April 2011 in the Southeast U.S.: A Case Study.*

Tanya Gallagher, Jason Ortegren, University of West Florida: *Spatial Variability of Multi-Decadal Temperature Trends in Urbanized and Urbanizing Areas of the Southeastern United States.*

Christopher A. Badurek, Christopher Todd, Maya Hutchins, Robin Hale, Appalachian State University: *GIS Analysis and Web GIS to Support Microhydro Assessment for Residential Energy in Western North Carolina.*

Joann Mossa and Jim Rasmussen, University of Florida: *Legacies of In-Stream Mining on the Bowie River, Mississippi.*

Leanne Sulewski, University of South Carolina: *Monitoring the BP Oil Spill: The Application of UAVSAR.*

Michael E. Ewing, University of Southern Mississippi: ***Inter- and intra-annual pollen deposition on McCall glacier, Alaska.***

David Austin, Saskia van de Gevel, Appalachian State University: ***Community dynamics in a Carolina hemlock community at Bluff Mountain Nature Preserve, North Carolina, USA.***

Doug Oetter¹, John Kirkwood², Kristen Whitbeck², Nancy Hoalst-Pullen³, Mark Patterson³, and Jorge Alfaro⁴, (1- Georgia College & State University, 2- McGill University, 3- Kennesaw State University, 4- Comisión Nacional de Riego, Chile): ***An Improved Method for Rapid Extraction of Land Cover Classification Data in Remote Areas .***

Ian Comstock and Corene Matyas, University of Florida: ***Examining the Distribution of Wind Speed and Radar Reflectivity About Landfalling Hurricanes Using Ground Based Radar and the H*Wind Data Set.***

John D. All, Kamal Humagain, Sean T. Hutchison, and Ryan D. Gourley, Western Kentucky University: ***Application of Remote Sensing Data to describe Spatiotemporal Characteristics of Fire in Nepal.***

Jason S. Polk, Leslie A. North, Victoria A. Allen, Taylor Hutchison, Chris Groves, Western Kentucky University: ***Sustainability Through a Universal Karst Assessment and Repository Tool that Measures and Evaluates Human-Environmental Impacts on Karst Environments.***

Rachelle Leah Grein, Florida Atlantic University: ***Regional of Evapotranspiration and Rainfall Deficit for Non-Urbanized Watersheds in South Florida.***

Matthew Carey, Brent Gore, Travis Hill, and Michelle Covi, East Carolina University: ***Cartographic Techniques for Visualizing Potential Sea-Level Rise Inundation***

Michael W. Denslow and Gabrielle L. Katz, Appalachian State University, Juliet C. Stromberg, Arizona State University: ***Vegetation patterns of urban and non-urban dry washes of the Sonoran Desert.***

Monday, 3:00 pm – 5:00 pm

Paper Session: Geographies of Tourism: Journeys and Transformations Scarbrough III

Session Organizers: Derek H. Alderman, East Carolina University, E. Arnold Modlin, Jr., Norfolk State University & Louisiana State University, Huili Hao, East Carolina University

Session Sponsor: Center for Sustainable Tourism, East Carolina University

Chair: E. Arnold Modlin, Jr., Norfolk State University & Louisiana State University

3:00 – Stefanie K. Benjamin, University of South Carolina, and Derek H. Alderman, East Carolina University: ***Remaking Mount Airy into Mayberry: Film-Induced Tourism and the Politics of Place Identity.***

3:20 – Keith Debbage, UNC-Greensboro: ***Transatlantic Aviation and International Tourism: Airport Slot Allocations as Spatial Constraint.***

3:40 – Elizabeth Hines, UNC-Wilmington: ***The Gullah/Geechee Nation: A Hidden Culture Revealed.***

4:00 – Michael Anton, Bradley L. Garrett, Alison Hess, Ellie Miles, and Terri Moreau (presenter) Royal Holloway University of London: ***Capturing Olympic Space in Transition: London 2010.***

4:20 – Yang Yang, University of Florida: ***Where is Tourists' Next Destination?***

Paper Session: The Continuing Significance of the Racial State

Scarborough IV

Chair: Josh Inwood, University of Tennessee

3:00 – Josh Inwood, University of Tennessee: ***The Continuing Legacies of Jim Crow Segregation: A Case Study of the 1901 Alabama Constitution.***

3:20 – Nina Martin, UNC-Chapel Hill: ***The elotero and the chef: The differential regulation of street vending in Chicago.***

3:40 – Matt Mitchelson, Kennesaw State University: ***The Production of Bedspace and the Racial State.***

4:00 – James A. Tyner, Kent State University: ***Life and Death in the Racial State.***

4:20 – Bobby Wilson, University of Alabama: ***Postbellum Racial State and Capital.***

Paper Session: Severe Weather Hazard Perception

Vernon

Chair: Jason C. Senkbeil, University of Alabama

3:00 – Burrell Montz, East Carolina University: ***North Carolina School Closings in the winter of 2010-2011: Decision-makers and Decision-making.***

3:20 – Corene Matyas¹, Jorge Villegas², Sivaramakrishnan Srinivasan³, Ignatius Cahyanto⁴, Brijesh Thapa⁴, Lori Pennington-Gray⁴, ¹Department of Geography, University of Florida; ²Department of Business Administration, University of Illinois at Springfield; ³Department of Civil and Coastal Engineering, University of Florida, ⁴Eric Friedheim Tourism Institute, and Department of Tourism, Recreation, and Sport Management, University of Florida: ***Evacuation intentions of Florida tourists when a hurricane is predicted to make landfall.***

3:40 – Philip L. Chaney, Greg S. Weaver, Susan Youngblood, and Kristin Pitts, Auburn University: ***Mobile Home Resident Preparedness and Response During the 2011 Tornado Disaster in DeKalb County, Alabama.***

4:00 – Kathleen Sherman-Morris, Mike Brown, Karyn Brown, Brittany Bell, and Philip Jackson, Mississippi State University: ***Experiences of Smithville, MS Residents with the April 27 Tornado.***

4:20 – David M. Brommer, University of Alabama: ***From Warning to Action: Tornado Warning Lead Time and Personal Protection Decisions from the University of Alabama Community During the April 27, 2011 Tornado.***

4:40 – Jason C. Senkbeil, J.M. Mason, and M.S. Rockman, University of Alabama: ***Shelter Seeking Behavior of Tuscaloosa Residents for a Future Tornado Event.***

Paper Session: Landscape and Meaning

Verelst

Chair: Matt Cook, University of Tennessee

3:00 – Matt Cook, University of Tennessee: ***Stumbling over landscape meaning: Die Stolpersteine in Berlin.***

3:20 – Stephen Birdsall, University of North Carolina: Memory and Place-Making: ***Teaching Undergraduates to Look Ahead by Looking Back.***

3:40 – Toby Applegate, University of Tennessee: ***Finding Carl Sauer's Sosua: The Dominican Republic's vanishing Jewish landscape and a possible future for material culture and critical geography.***

4:00 - Timothy Brock, University of Kentucky: ***An Ethnography of Socioeconomic Landscapes and Built Environment on Orlando Highways.***

Paper Session: Dendrochronology, Forest Geography, and Climate Change

Sloane

Chair: David Holt, Southern Mississippi University

3:00 – David H. Holt¹, Justin T. Maxwell², Niki A. Garland³, Grant L Harley³, Carl Apscher, B. Jacob Beale⁴, Mathew S. Boehm³, Kristen A. de Graauw⁵, Anna-Maria Rautio⁶, Henri D. Grissino-Mayer³,
¹University of Southern Mississippi, ²University of North Carolina Greensboro, ³University of Tennessee, ⁴Virginia Tech, ⁵Indiana State University, ⁶Swedish University of Agricultural Sciences: ***Using trees to date structures on the Anderson-Doosing Farm, Ronoake, Virginia.***

3:20 – Tom Saladyga and Neil Pederson, Concern University: ***Tree-ring Based Drought Reconstruction for the Central Khan Khentii Mountains, Mongolia (1675-2000).***

3:40 – Paul Knapp and Keith Hadley, UNC-Greensboro: ***A 300-Year History of Pacific Northwest Windstorms Inferred from Tree Rings.***

4:00 – Alice Tym, UT-Chattanooga: ***Atlal to Arrows: Climate change 10,000 Years Ago at Russell Cave, Alabama.***

4:20 – Lynn M. Resler¹, Lauren, N. Franklin², Emily K. Smith-McKenna¹, Jacob B. Slyder¹, Diana F. Tomback³ and George P. Malanson⁴, ¹Virginia Tech, ²Radford University, ³University of Colorado-Denver, ⁴University of Iowa: ***The Role of Whitebark Pine and Blister Rust in Treeline Community Dynamics, Western Montana.***

4:40 – Justin Hart¹, Megan Buchanan¹, Stacy Clark², Scott Torreano³: ¹Department of Geography, University of Alabama,²Southern Research Station, USDA Forest Service, ³Department of Forestry and Geology, University of the South: ***Old-growth on the tablelands of the Cumberland Plateau: forest history and management implications.***

Paper Session: Environment and Ecology I

Scarborough I

Chair: Sophia Giebultowicz, University of North Carolina

3:00 – Joshua Leisen and John Kupfer, University of South Carolina: ***Effects of Environmental Conditions on Fish Community Structure.***

3:20 – Peter Waylen, University of Florida: ***Isabi, Ilekonga Menshi (A Fish Follows Water): Estimating Annual Precipitation Inputs to the Lake Mweru Basin, Zambia-Congo, and their Spatial and Temporal Variability, 1925-86.***

3:40 – Sophia Giebultowicz, Michael Emch, Douglas Morgan, Rodolfo Pena, University of North Carolina: ***The Spatial Epidemiology of Chronic Kidney Disease in Northwestern Nicaragua.***

4:00 – Agrippa Kellum, University of Southern Mississippi: ***On Tinkering with an Ecosystem: Letting Go of Reductionism.***

4:20 – David Salisbury, University of Richmond: ***The Political Ecology of Tropical Timber and Traditional Populations in the Peruvian Amazon.***

4:40 – Korine Kolivra, Georgia Tech: ***Geographic dimensions of disease emergence: Human-environment interactions across spatial scales.***

**Panel Session: Graduate School 101: For Undergrads, Grads, and Even Professors
Scarborough III**

Session Sponsor: SEDAAG Education Committee

Organizers and Panel Members:

Jennifer Rahn, Samford University
Chris Badurek, Appalachian State University
Margaret “Peggy” Gripshover, Western Kentucky University
Lisa Jordan, Florida State University
Heidi Lanon, Santa Fe College

Tuesday, 8:00 am -9:40 am

Paper Session: Methodologies and Pedagogy

Scarborough IV

Chair: Marcia England, Miami University of Ohio

8:00 – Marcia England, Miami University of Ohio: *Place Matters: Practical and Pedagogical Issues in a Community-Based Classroom.*

8:20 – Jackie Gallagher, University of Mary Washington: *Understanding Advances in the Global Positioning System.*

8:40 – Jamie Gillen, National University of Singapore: *Fieldwork as Investment.*

Paper Session: Academic Geographies

Percival

Chair: Timothy Mulrooney, North Carolina Central University

8:00 – Timothy Mulrooney, North Carolina Central University: *Mapping and Modeling Intercollegiate Wrestling Opportunities in the American Southeast.*

8:20 – Jennifer Porter and Robert Oliver, Virginia Tech: *On Locating Lactation Spaces: The Lactation Support Program at Virginia Tech.*

8:40 – Selima Sultana, Mark R Schulz, Molly Hagen, Marcie Dalrymple, UNC-Greensboro: *To Purchase or Not to Purchase A Parking Pass: Examining Students’ Parking Decision in College Campuses.*

Paper Session: Critical Geographies

Vernon

Chair: Robert Kruse, West Liberty University

8:00 – Robert Kruse, West Liberty University: *The Making of the "Piano Bar"*

8:20 – Conor Harrison, University of North Carolina: *Reading the spread of electricity in rural North Carolina through Foucault's biopower.*

8:40 – Michael Husebo, University of Georgia: *Labor activism beyond the union: Contesting capital in the sphere of social reproduction.*

9:00 – Andy Walter* and Katherine Hankins**, West Georgia State University* and Georgia State University**: *Analyzing Justice in Community Development.*

9:20 – Chad Steacy, University of Georgia: *Sunbury, Pennsylvania: Toward a Critical Geography of Decline of the North American Small Town.*

Paper Session: Weather and Climate

Verelst

Chair: Victor Gensini, University of Georgia

8:00 – David Keelings and Peter Waylen, University of Florida: *Investigating Drivers of Maximum Daily Temperatures in Florida using Extreme Value Analysis.*

8:20 – Donald Yow, Eastern Kentucky University: *Quantifying Localized Anthropogenic Modification of Air Temperature on Eastern Kentucky University's Richmond Campus.*

8:40 – Victor Gensini, Myron Petro, George Maier, J. Marshall Shepherd, University of Georgia: *Characteristics of Atlantic Basin Recurring Hurricanes.*

9:00 – David Perkins, University of North Carolina: *Forecasting tourist decisions with weather and climate references.*

9:20 – David Cochran and Carl A. Reese, University of Southern Mississippi, Kam-biu Liu, Louisiana State University: *Searching for Traces of Old Storms on the Mosquito Shore of Eastern Honduras.*

Paper Session: Land Use and Land Change

Sloane

Chair: Monica Dorning, UNC-Charlotte

8:00 – Monica Dorning, Douglas A. Shoemaker, Wenwu Tang, and Ross K. Meentemeyer, UNC-Charlotte: ***Simulating land change scenarios to resolve urbanization-conservation conflicts at the edge of metropolis.***

8:20 – Jeff Popke, East Carolina University: ***To ‘Catch a Crop’: Double Exposure and Agricultural Change in Rural Jamaica.***

8:40 – Christine Mitchell, Florida Atlantic University: ***The South Florida Saw Palmetto (Serenoa repens) Berry Industry and Changing Land-Use Practices: Enhanced Rural Livelihood Security at the Cost of Endangered and Threatened Wildlife?***

9:00 – Ryan Kirk, Elon: ***Agricultural site suitability as a biophysical driver of land use change in the Southern Appalachian Mountains.***

9:20 – Aron Massey, West Liberty State University: ***Almost Level, West Virginia: Political Ecologies of Mountaintop Removal Coal Mining.***

Paper Session: Cultural and Historical Geographies II

Scarborough I

Chair: Katie Algeo, Western Kentucky University

8:00 – Katie Algeo, Western Kentucky University: ***The Mysterious Mammoth Cave Mushroom Mishap: Historical Geographer as Sleuth.***

8:20 – Craig Laing, UT-Chattanooga: Smoky Lenses: ***James E. Thompson and His Smoky Mountain Photographs.***

8:40 – Daniel McGowin, Alabama State University: ***Haunted Past; Haunted Place: Place and Representation in Windham and Figh’s 13 Alabama Ghost and Jeffrey.***

9:00 – Sean Nickerson, Florida State University: ***Public participation in the redistricting of the State of Florida.***
