AAHOA Statement on New Jersey Assembly Bill 6246 Being Signed Into Law

ATLANTA, Ga., Jan. 21 – AAHOA Chair Vinay Patel issued the following statement in regards to Gov. Phil Murphy signing Assembly Bill 6246 into law:

"We are disappointed with Gov. Murphy's decision to sign Assembly Bill 62346 into law. As we have stated before, A6246 harms customer service, increases strain on already struggling hotels, and hampers the industry's recovery when hotel employees and small business owners need it the most.

While we're disappointed that this ill-advised bill was signed into law, we thank the many AAHOA Members and hoteliers in New Jersey for advocating on behalf of hotel owners across the state."
