Dear Bill,

Enclosed please find three files of the Asian-American Law Librarians Group and two copies of the Group's mailing list. Items in the files pretty much tell the short history of our group and that you may take interest in. When you are through with the files please forward Mr. Otsu the files and his copy of the mailing list.

I have tried my best to update the mailing list by putting down all known information about members of the Group. I am sure that there are changes unknown to us.

I am so glad that you and Mr. Otsu have been elected to serve the Group. There cannot be a better choice. Please do not hesitate to call on me if there is anything I can do.

Sincerely,

Mon Yin
