Dear Mon Yin,

Now that I am beginning to find my way about Yale, I want to take a moment to thank you for all your help (mentally, physically, and financially) with our program "Chinese Commercial Law for the Non-specialist." I know you put a great deal of effort in to our reception, but I hope you feel along with me that the event was a "smashing success."

If I can ever repay all your kindnesses, please do not hesitate to call upon me (203-432-1615). I look forward to hearing more about the Asian-American Law Librarians Group. I am very jealous that your group seems so much more cohesive than our Latin American Law Librarians. I believe it's all a matter of how much people are willing to invest of themselves.

Let's keep in touch!

Sincerely,

Daniel L. Wade
