Dear Dan,

Thank you for providing a chance for the Asian-American Group to participate in the Foreign, Comparative & International Law SIS reception. I have heard some very favorable comments on the program you coordinated. And I hope that we can cooperate again.

Because of the busy role I had to play during the Asian-American Group organizational meeting on July 8, I deeply regret that I did not get to introduce Mr. Kiyoshi Otsu, one of our Japanese member to you. I did, however, talk to him about your interest in Japanese legal materials. And Kiyoshi is very happy to be your resource person in this subject area. His address and phone number are:

Kiyoshi Otsu
Indiana Univ. School of Law-Indianapolis Library
735 West New York Street
Indianapolis, IN 46202
317-274-1924

Kiyoshi was born and grew up in Japan, and has Japanese as his native language. If you need any one to discuss the custom, the tradition, and the society of "the Country of Sunrise", he is the ideal person.

By now I hope you and your family are quite settled down in New Haven. I am sure that your kids and your wife (she is such a sweet person!) would enjoy the North, too.

Let us stay in contact. Take care and good luck.

Sincerely,

Mon Yin Lung
Head of Technical Services

P.S. As I finished this letter I found yours in my mail box. Thank you very much for your nice comment on our group. Yet I want you to remember that you can and should consider this group your group, too!
