

Programs can transfer applicant, placement, and performance data on PDWS to certain Residency Management System (RMS) including MedHub, MyEvaluations.com, New Innovations, and Medtrics. The Designated Institutional Official (DIO) or Director of Medical Education (DME) must authorize the use of the respective RMS services.

1. The RMS selection must be done at the Institution Level. To toggle to the Institution Level, click on the Institution Name, then click Clear on the Level Selection Screen.
