

## Now hiring for a Contract Clinical Therapist

Do you like the idea of a private practice setting but want to be part of a collaborative team of therapists rather than practicing in isolation? Are you interested in working independently but don't like or want to learn the 'business' aspect of running a private practice (i.e. billing, bookkeeping, insurance, marketing, etc.). If so, Tucson Lasting Connections is the place for you!

Tucson Lasting Connections (TLC) is a systemically-oriented center that provides services to couples, families and individual adults. Our work environment closely resembles a group private practice and our therapists are highly motivated, initiative-taking and open to therapeutic growth. We strive to create a sense of family and positive morale amongst our therapists and are looking for systemic therapists to join our team.

Contracted Clinical Therapist position requirements include:

- Master's degree in a related field
- Minimum of temporary or associate license in the state of Arizona
- Education, training and/or clinical experience working with couples
- Excellent organizational skills
- Ability to work efficiently in an autonomous work environment
- Knowledge of professional ethics (i.e. AAMFT Code of Ethics) and Arizona rules and statutes
- Evening and/or weekend availability
- Family therapy experience preferred
- LAMFT or LMFT preferred

Benefits at TLC include:

- Competitive pay
- Beautifully furnished office space
- Flexible work schedule
- AAMFT Approved and AZ state approved individual & group supervision
- Client generation from TLC's well-established reputation and community network
- Insurance billing and credentialing services
- Bookkeeping for all services

Please submit a cover letter and resumé to Stephanie Neidermyer, LMFT at [intaketlc@gmail.com](mailto:intaketlc@gmail.com). Your application will not be considered without submitting a cover letter.
