## Chair, Department of Nursing Systems

Join us in sunny Orlando, Florida! We are seeking a highly qualified nursing professor to serve as a member of our leadership team and the **Chair of the Department of Nursing Systems**. The selected candidate will provide academic and administrative leadership and bring experiential, academic and research expertise commensurate with the position. This position has an anticipated start date in Spring 2021 (negotiable). An endowed chair would be considered for highly qualified candidates.

The ideal candidate will demonstrate some or more of our preferred qualifications: A proven leader with experience in management of human resources, budget, academic and clinical programming, and accreditation standards; Effective communication and interpersonal skills; Sustained record of research and extramural funding; National reputation in area of expertise; Experience in teaching at the undergraduate and/or graduate level; Experience in inter-professional education.

The successful candidate will also meet the minimum requirements for the 12-month, tenured full professor position as outlined in the job description for position #499556 at [ucf.edu/jobs](http://ucf.edu/jobs). Questions regarding the Chair position may be directed to [Carey.Morales@ucf.edu](mailto:Carey.Morales@ucf.edu).

The Department of Nursing Systems focuses on programs that educate individuals for greater leadership responsibilities within healthcare or educational systems. The department houses several online programs: RN to BSN, Concurrent ASN to BSN, Nurse Educator MSN and certificate option, Nursing Leadership and Management MSN, Executive Nurse DNP and the Ph.D. in Nursing program. The department has 25 full-time faculty members, plus a team of adjuncts, and approximately 1,400 actively enrolled students.

**Additionally:** *The College of Nursing is also seeking qualified applicants for two instructor/lecturer positions.*

### ABOUT THE COLLEGE

Celebrating 40+ years of educational excellence, the **UCF College of Nursing** offers accredited online and on-campus programs that are recognized among the nation's best for quality and value. Through faculty experts, innovative research, evidence-based practice and community service, the college prepares nurse leaders to meet the world's ever-changing healthcare needs. A key member of the **UCF Academic Health Sciences Center**, the college boasts 21 distinguished national faculty fellows, including 12 fellows of the American Academy of Nursing, five endowed faculty, and is 12,000+ alumni strong.

### ABOUT THE UNIVERSITY

Founded in 1963 with a commitment to expanding opportunity and demanding excellence, the **University of Central Florida** develops the talent needed to advance the prosperity and welfare of our society. With more than 68,000 students, UCF is one of the nation's largest universities, offering more than 200-degree programs at its main campus in Orlando, medical school, and more than a dozen other locations in Central Florida and online. UCF is ranked by *U.S. News and World Report* among the nation's top 10 most innovative universities and classified by The Carnegie Foundation as a research university with very high research activity (RU/VH).

Think **UCF.**

*As an equal opportunity/affirmative action employer, UCF encourages all qualified applicants to apply, including women, veterans, individuals with disabilities, and members of traditionally underrepresented populations.*
