TRANSFORMING HEALTH POLICY STARTS
BY KEEPING CONNECTED

November 16, 2022

October 20: [American Academy of Nursing Released Meeting Proceedings from 2021 Policy Dialogues](#)

October 26: The Academy, along with 56 organizations from the Nursing Community Coalition (NCC), joined a letter thanking Representatives Lucille Roybal-Allard and David Joyce for introducing the **Improving Care and Access to Nurses (I CAN) Act (H.R. 8812)**. The ICAN Act would remove outdated barriers in the Medicare and Medicaid programs that currently prevent APRNs from practicing to the full extent of their education and clinical training. Lessons from the COVID-19 Pandemic: Mobilizing Nursing Leadership to Advance Global Equity

Hosted by the Expert Panel on Global Nursing and Health
in collaboration with the Expert Panel on Health Equity

2022 POLICY DIALOGUE SERIES

December 6, 2022

December 6: [Policy Dialogue: Lessons from the COVID-19 Pandemic: Mobilizing Nursing Leadership to Advance Global Equity](#)

(Policy Priority: Advance Health Equity and Champion Wellness)

The [Global Nursing & Health Expert Panel](#), in collaboration with the Expert Panel on [Health Equity](#), will focus on strategies to ensure more equitable distribution of resources such as vaccines, increase equity in the US and abroad, and support nurses as they engage and emerge from the COVID-19 pandemic.

FELLOW OPPORTUNITIES

Health Resources and Services Administration (HRSA)

- The National Center for Injury Prevention and Control (NCIPC) is [seeking applications](#) from qualified organizations for Injury Control Research Center (ICRC) grants. The Centers for Disease Control and Prevention (CDC) will support [NCIPC's priorities and mission](#) through high-quality research, training, and outreach, as well as effective translation of scientific discoveries into practice for the prevention and control of injuries and violence. **Application Due Date: January 6, 2023.**

National Institute of Nursing Research (NINR)

- [NOT-HD-22-043](#): *Notice of Special Interest (NOSI): Implementation Science to Advance Maternal Health and Maternal Health Equity for the IMPROVE initiative* seeks to stimulate dissemination and implementation research on innovative approaches built on evidence-based findings from foundational research on factors that contribute to maternal morbidity and mortality. **First Application Due Date: February 6, 2023**
- [PAR-22-231](#): (*R21 Clinical Trial Optional*) solicits R21 grant applications that propose exploratory/developmental research projects that are consistent with the research framework detailed in the [NINR Strategic Plan](#). **First Application Due Date: November 21, 2022.**
- NINR has [new funding initiatives and opportunities](#) that are available for submission. To help the process, the National Institutes of Health (NIH) released a [Guide Notice](#) for submissions.

U.S. Department of Labor (DOL)

- The U.S. Department of Labor (DOL) has announced that they will award up to \$80 million in grants early next year to expand and diversify the nursing workforce. [The DOL Nurse Expansion Grant Program](#) cites the NAM Future of Nursing report as a rationale for its creation and its design and aims closely align with CCNA goals and priorities. **Applications are due January 6, 2023.** A prerecorded webcast and additional information can be found [here](#).
