Title: Faculty College of Nursing & Midwifery, MBRU

Position Description

Role:

Post will be held by an academic with a sustained track record within nursing and/or midwifery who is able to contribute to learning and teaching, research, knowledge transfer and nursing practice, to the benefit of students, the College and the University, and to conduct duties such as Course or Program Director, and activities associated with recruitment, internationalization and student experience. The appointee would be expected to carry out core activities in three areas: learning and teaching; research and knowledge transfer; administration, management and leadership. Candidates will be expected to deliver higher-level achievements in at least two of these areas, demonstrating national and international impact in nursing.

Qualifications
