

SENIOR ASSOCIATE DEAN POSITION

POSTING # F00266P

Within the Dallas-Fort Worth Metroplex area, UT Arlington is a diverse academic community of students working together with faculty committed to outstanding teaching, research, and scholarship. UTA is the largest institution in North Texas, and one of 131 universities nationwide to receive the R-1: Doctoral Universities—Very High Research Activity designation by the Carnegie Classification of Higher Education. In 2021, UTA received the Texas Tier One designation reserved for the state’s top academic and research excellence institutions. The University ranks No. 1 nationally in the Military Times’ annual “Best for Vets: Colleges” list, is designated as a Hispanic-Serving Institution and an Asian American and Native American Pacific Islander-Serving Institution and has approximately 240,000 alumni making an impact across Texas and beyond.

Position Description for Senior Associate Dean in Nursing

The College of Nursing and Health Innovation is the largest not-for-profit college of nursing. This leader will have supervisory responsibility for the Chairs of the Department of Undergraduate Nursing, the Department of Graduate Nursing, the Assistant Dean for the Office of Enrollment and Student Success (OESS), and the Assistant Dean of Simulation and Technology. The Department of Undergraduate Nursing encompasses Prelicensure BSN, RN-to-BSN, Certificate in Telehealth and Health Informatics, and Honors Degree programs. The Department of Graduate Nursing offers a variety of programs for a MSN, Post-Baccalaureate and Post Master’s Nursing Certificates, Doctor of Nursing Practice, and Ph.D. in Nursing. The Sr. Associate Dean will provide mentorship, support, and supervision of the department chairs and the Assistant Dean for OESS.

Successful candidates are expected to demonstrate a commitment to diversity and equity in education through their scholarship, teaching, and/or service, as well as a strong commitment to teaching, advising, and mentoring undergraduate and graduate students from diverse backgrounds.
