The positions listed below are accepting applications. Click on the position title below to see more information about the opportunity and the application process.

[Assistant/Associate Dean of Academic Affairs](#)
[Chair of the Department of Nursing Practice](#)
[Assistant Professor, Associate Professor, and Full Professor](#)

Associate/Assistant Dean for Academic Affairs

The Assistant/Associate Dean for Academic Affairs is a 12-month appointment that provides support for the day-to-day operations of the College of Nursing related to academic affairs, including curriculum development, catalogs and handbooks, accreditation and seven-year program review, program evaluation activities, inter-professional education and practice, institutional effectiveness related to academic programs, Florida Board of Governors requests/reports, faculty credentialing, and continuing education.

The Assistant/Associate Dean for Academic Affairs works in close collaboration with the Associate Dean for Simulation and Immersive Learning and serves as a liaison for the College to other units across the university, as well as clinical agencies. The Assistant/Associate Dean for Academic Affairs supervises the Data Analyst position of the College of Nursing.
