Creating an Agenda for a Healthy Society

American Academy of Nursing
36th Annual Meeting & Conference
November 5–7, 2009
Atlanta Marriott Marquis • Atlanta, GA

Onsite Program
UCLA School of Nursing

Celebrating 60 Years

Education:
We continue to achieve substantial growth – with the student population doubling in the last three years alone. We offer programs for the undergraduate (BS), postgraduate (MSN and MECN) and Doctoral (PhD) student.

Research:
Our faculty continues to expand on the practice of nursing science, building a wide-ranging research enterprise that is looking at solutions to health issues through our Centers of Nursing Research, Vulnerable Populations Research, American Indian and Indigenous Research and Education, and Advanced Gerontological Nursing Science.

Practice:
While there is much to be proud of, what we really celebrate is the outlook for our future. From bench to bedside, we are transforming the science of nursing and improving the delivery of care.

Health Policy:
With 40% of our faculty members of the prestigious American Academy of Nursing, the UCLA School of Nursing will remain a strong voice in shaping policy for better and safer health care for all.

The future of nursing at UCLA is proudly led by
Courtney H. Lyder, N.D., G.N.P., F.A.A.N., Dean and Professor, School of Nursing; and Assistant Director for Academic Nursing, Ronald Reagan UCLA Medical Center

Dear Colleagues,

Welcome to the 36th Annual Meeting & Conference: Creating an Agenda for a Healthy Society. Working with the outstanding Program Committee and the energetic staff of the organization, we have endeavored to produce a program that will stimulate your thinking, ignite your imagination, and foster energetic strategic planning.

Using the wisdom and insights of our speakers as a springboard for discussion during the conference, we will organize you into small groups to foster the exchange of ideas and dialogue. We have asked expert panel chairs, committee and board members and willing volunteers to serve as recorders of the small groups to save those interactions for use in our strategic planning. We hope the processes we have devised and the plan of the program enables you to enjoy a productive exchange with colleagues.

We have recruited wonderful speakers who will address some of the pressing health care issues of our times and set the stage for our small group work. In addition, some of our most successful Raising the Voice™ models will share the stories of how they were able to translate their innovative health practices to actions for health policy change.

We believe that you will find this year’s conference fosters the fellowship at the heart of the academy’s mission. We are looking forward to seeing each of you! Enjoy!

Warm regards,

Doreen C Harper, PhD, RN, FAAN
Eileen Zungolo, EdD, RN, CNE, FAAN

FEATURED SPEAKERS

Corinne H. Rieder, EdD
The John A. Hartford Foundation, New York, New York

Corinne H. Rieder was appointed Executive Director and Treasurer of the John A. Hartford Foundation on January 1, 1998. Mr. Hartford, a former president of the Great Atlantic & Pacific Tea Company, established the Foundation in 1929. His father had founded the A&P grocery chain in the 1850s. When John and his brother George died in the 1950s, the bulk of their estates were left to the Foundation. Hartford’s overall goal is to increase the nation’s capacity to provide effective and affordable care to its rapidly aging population.

Prior to coming to Hartford, she served as the Corporate Secretary of Columbia University, and earlier as the University’s Director of Federal Relations. Before joining Columbia, she was Executive Vice President and Dean of Bank Street College of Education. She taught strategic planning at both institutions.

Dr. Rieder spent the early part of her career in Washington, DC, where she was an associate director of the National Institute of Education, a study director at the Office of Management and Budget, and an advisor in education at the former Department of Health, Education and Welfare. She also served as Director of Education Planning for the New York City Planning Department and a Peace Corps Volunteer in the Dominican Republic.

Currently, she is a board member of the American Federation for Aging Research; the Visiting Nurse Service of New York; Expeditionary Learning Schools Outward Bound; and NYU’s Steinhardt School of Culture, Education, and Human Development.

Dr. Rieder earned her BA from the University of California — Los Angeles, and her EdM and EdD from Harvard University.

David Satcher, MD, PhD
Morehouse School of Medicine, Atlanta, Georgia

David Satcher, MD, PhD, is Director of The Satcher Health Leadership Institute which was established in 2006 at the Morehouse School of Medicine in Atlanta, Georgia. The mission of the Institute is to develop a diverse group of public health leaders, foster and support leadership strategies, and influence policies toward the reduction and ultimate elimination of disparities in health. The Institute’s programs reflect Dr. Satcher’s experience in improving public health policy and his commitment to eliminating health disparities for underserved groups, such as minorities and the poor and shedding light on neglected issues, such as mental and sexual health.

Dr. Satcher was sworn in as the 16th Surgeon General of the United States in 1998. He was the first person to have served as Director of the CDC and then Surgeon General of the United States.

Dr. Satcher has held top leadership positions at the Charles R. Drew University for Medicine and Science, Meharry Medical College, and the Morehouse School of Medicine. He has been a Macy Foundation Fellow, Robert Wood Johnson Foundation Clinical Scholar, and a Senior Visiting Fellow of the Kaiser Family Foundation.

Dr. Satcher held the position of Director of the new National Center for Primary Care at the Morehouse School of Medicine from 2002 to 2004. He presently occupies the Poussaint-Satcher-Cosby Chair in Mental Health at the Morehouse School of Medicine. This recognizes his long commitment to removing the stigma attached to mental illness, as evidenced by Mental Health: A Report of the Surgeon General, the first Surgeon General’s report on mental health released during his tenure as Surgeon General. As Surgeon General and Assistant Secretary for Health, Dr. Satcher led the department’s effort to eliminate racial and ethnic disparities in health, an initiative that was incorporated as one of the two major goals of Healthy People 2010.

Dr. Satcher has received over 40 honorary degrees and numerous distinguished honors including top awards from the National Medical Association, the American Medical
Kenneth E. Thorpe, PhD

Kenneth Thorpe, PhD, is the Robert W. Woodruff Professor and Chair of the Department of Health Policy & Management in the Rollins School of Public Health of Emory University, Atlanta, Georgia. He is also the Executive Director of the Emory Institute for Advanced Policy Solutions at Emory University.

As Executive Director of the Partnership to Fight Chronic Disease (PFCD), Dr. Thorpe works with a coalition of over 120 national and state-based organizations consisting of patients, providers, community organizations, business and labor groups, and health policy experts to raise awareness of the negative impact chronic disease has on the nation’s health and economy.

In addition to holding a number of faculty positions, Dr. Thorpe was Deputy Assistant Secretary for Health Policy in the U.S. Department of Health and Human Services from 1993 to 1995. In this capacity, he coordinated all financial estimates and program impacts of President Clinton’s health care reform proposals for the White House. He also directed the administration’s estimation efforts in dealing with Congressional health care reform proposals during the 103rd and 104th sessions of Congress.

As the Executive Director of the PFCD and respected health care expert, Dr. Thorpe regularly testifies before numerous committees in the U.S. Senate and House on many aspects of health care reform, including disease prevention, wellness and coordination of care.

Dr. Thorpe has authored and co-authored over 85 articles, book chapters and books and is a frequent national presenter at health care conferences, on television and in the media. He has appeared on Nightline with Ted Koppel, NBC News with Tom Brokaw, ABC World News Tonight with Peter Jennings, CNN, CNBC and Newshour with Jim Lehrer.

Previous academic positions held by Dr. Thorpe include the Vanselow Professor of Health Policy and Director, Institute for Health Services Research at Tulane University; Professor of Health Policy and Administration at the University of North Carolina at Chapel Hill; Associate Professor and Director of the Program on Health Care Financing and Insurance at the Harvard University School of Public Health; and Assistant Professor of Public Policy and Public Health at Columbia University. Dr. Thorpe has also held Visiting Faculty positions at Pepperdine University and Duke University.

In 1991, Dr. Thorpe was awarded the Young Investigator Award presented to the most promising health services researcher in the country under age 40 by the Association for Health Services Research. He also received the Hettleman Award for academic and scholarly research at the University of North Carolina and was provided an “Up and Comers” award by Modern Healthcare.

Dr. Thorpe received his PhD from the Rand Graduate School, an MA from Duke University and his BA from the University of Michigan.
GENERAL CONFERENCE INFORMATION

AAN Merchandise
Stop by the AAN Annual Fund table, Booth # 303, in the exhibit area to purchase medallions, lapel pins, ornaments and other AAN items. They make great gifts for a friend or a new Fellow.

Abstracts
All poster abstracts accepted for presentation at the American Academy of Nursing 36th Annual Meeting & Conference will be available online through Nursing Outlook at www.nursingoutlook.org. You are not required to purchase a subscription to the publication to view the abstracts. At the AAN Business Meeting, the Annual Meeting Planning Committee Abstract Sub-Committee will announce those posters winning the “Poster of Distinction” designation.

Admission to Sessions
Official name badges will be required for admission to all AAN sessions. All Annual Meeting attendees receive name badges with their registration materials. Name badges should be worn at all times inside the Atlanta Marriott Marquis, as badges will be used to control access to sessions and activities. Attendees are cautioned against wearing their name badges while away from the Atlanta Marriott Marquis as badges draw unwanted attention to your status as visitors to Atlanta, Georgia.

Admission by Tickets
Admission into the Living Legends Celebration Reception and the Induction Ceremony and Soiree are included in the FULL registration price. The SATURDAY only registration fee includes admission to the Induction Ceremony and Soiree. Admission to the Annual Fund Love Your Legacy Fundraiser is based on contributions made to the Annual Fund. Your registration packet will include all tickets, including any tickets purchased for guests. If you feel you are missing a ticket, please check with the HELP DESK. Tickets will be collected at the door by ushers.

Affiliate Receptions
The schedule of Affiliate Group functions can be found on page 16.

Attire
Appropriate dress for the Conference is business casual. A jacket or sweater is recommended as temperatures in meeting rooms may vary.

Seating — General Session
All registrants have been specifically assigned a table during the General Sessions. Your name badge indicates your table number, and the tables will be numbered as you walk into the room. Please sit at the table you have been assigned.

Seating — Induction Ceremony
Seating for the Induction Ceremony is arranged by 2009 New Fellow. In the online and print registrations, each registrant was asked to select a 2009 Fellow whom he/she would like to honor at the induction ceremony. These responses were used to generate a seating arrangement for the induction ceremony. Your name badge indicates your table assignment. If you wish to change your table assignment, that MAY be possible; we will do our best to accommodate your request. Please visit the Induction Seating table, open Friday, 3:00 pm – 5:30 pm or Saturday, 12:00 pm – 4:00 pm. A diagram and table listing will be available.

Business Meeting
Saturday, November 8, 8:00 am – 10:00 am
Location: Atrium B/C (Atrium Level)
All Fellows are encouraged to attend the Annual Business Meeting to hear about the current accomplishments of the Academy, future planning, and major announcements.

Cell Phone Protocol
Please ensure that cell phone ringers are turned off during all sessions.

Commission, Committee & Task Force Meetings
Please see the AAN Group Meetings Schedule on page 15 for a full listing of AAN Commission, Committee, Expert Panel and Task Force Meetings.
Conference Description

The Academy welcomes you to its forum to craft ideas to improve the health and well-being of the public in this era of health system reform. Nurse leaders, aspiring nurse leaders, other health professionals, thought leaders, consumers, and policy experts are invited to come together in a participatory event to identify key strategies and specific opportunities for system-wide change. The aim is to improve health care accessibility for children, the elderly, and diverse populations.

Conference Objectives

1. Examine major demands on public health for diverse population segments.
2. Identify ways in which nursing leadership can intervene in key venues to influence the impact of poverty and exclusion on health status.
3. Assess system-wide deficits in health care delivery to children, elderly, and other vulnerable and underserved populations.
4. Create an agenda on the role and potential contributions of the Academy in addressing these issues.

Continuing Nursing Education and Meeting Evaluations

Contact Hours
AAN has applied to the Alabama State Nurses Association, accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation. AAN has applied for (7) contact hours for attendance at the entire educational session.

In order to receive your continuing education certificate for this program, you must go to www.aannet.org and click the link to the conference evaluation form and meeting survey. Your continuing education certificate will be sent to you upon completion of the evaluation.

For questions regarding contact hours, please contact: Melinda Mercer Ray, MSN, RN, at 202.777.1177. E-mail: mray@aannet.org.

Emergency & First Aid
The Atlanta Marriott Marquis is fully prepared to handle emergency requests and first aid. Pick up any house phone for immediate assistance and contact an AAN staff person for support. Remember to note all emergency exits within the hotel.

Annual Fund Special Event

Friday, November 6, 2009
7:30 pm – 9:00 pm

The Fox Theatre
660 Peachtree Street, NE, Atlanta, GA
Transportation provided
Entertainment by Trina Hamlin, singer, songwriter, and guitarist

The AAN Annual Meeting and Conference is, as always, a chance for you to learn, share ideas, and build relationships in the name of improving health for all — but it’s also a chance to have fun with friends and colleagues while supporting the Annual Fund. This year, one of these opportunities will be held at the famous Fox Theatre!

When the Academy speaks, health care policy makers and our industry and philanthropic partners listen. They pay attention because the Academy comprises many of the nation’s premier nursing scholars, researchers, deans, faculty, executives, and practitioners. Increasingly, the Academy is generating, synthesizing, and disseminating nursing knowledge; the Annual Fund makes this process possible. With Annual Fund dollars, the Academy is influencing health policy from the nursing perspective by placing a nurse leader at the Institute of Medicine (IOM) as a Scholar. These nurse leaders contribute innovative ideas, expert knowledge and a wealth of experience. They also act as a resource, identifying nurses and other health experts to participate in IOM activities. Also supported with Annual Fund dollars as IOM scholars, the Academy is helping to implement a national strategy for improving health care quality. Academy representatives serve on the National Quality Forum, an organization that endorses consensus-based national standards for measurement and public reporting of health care performance data. The data provide meaningful information about whether care is safe, timely, beneficial, patient-centered, equitable and efficient.

The effectiveness of the Academy, in part, depends on a healthy Annual Fund; so, hop on the bus and enjoy the evening.

Tickets are $100.00, all of which will go toward the Annual Fund.

The LSUHSC School of Nursing Invites Applications for the Tenet HealthSystem/Jo Ellen Smith, BSN

Endowed Chair of Nursing

The LSUHSC School of Nursing Tenet HealthSystem/Jo Ellen Smith, BSN Chair of Nursing focuses on research and scholarly endeavors. This noted researcher and scholar will have the opportunity to engage in collaborative research within LSUHSC and the hospitals comprising the LSUHSC Health Care Services Division to conduct clinical nursing and interdisciplinary research. These research findings are expected to support state-of-the-science clinical nursing practice and mission of the School of Nursing. This individual will serve as a catalyst and mentor amongst the School of Nursing junior faculty members to increase the research and extramural funding productivity within the School.

Become part of the dynamic efforts to re-envision nursing and health care in Louisiana. This Endowed Research Chair will provide research leadership to improve healthcare in a post-Katrina environment still recovering from damage. The Endowed Research Chair, working closely with nursing faculty and partnering with area hospitals, will establish programs of study that are inclusive of the vulnerable groups represented in this underserved and medically needy area. We invite you to be a force of change and growth, contributing to

Return, Rebuild, Renew New Orleans
