Career Opportunities

American University of Beirut (AUB) Rafic Hariri School of Nursing (HSON)

American University of Beirut is seeking applications for faculty positions at HSON with strong research and clinical expertise in particular in psychiatry and mental health nursing, pediatric nursing, and public & global health nursing.

HSON is also seeking applications from distinguished scholars for the Hariri endowed chair in research. This chair offers opportunities for a senior scholar to develop research expertise among early career faculty members to develop and lead the Centre for Research at HSON and to develop an interdisciplinary PhD program in close collaboration with other disciplines at AUB.
