Shared Interest Group Settings

2. Select Discussion then post to this discussion. You must choose a SIG (topic) to post.

Post a Message

The screenshot shows the "Post a Message" form. The "To" field is set to "Shared Interest Group". The "Cross Post To" field is disabled with the message "Posts in topic communities cannot be cross-posted." The "From" field is "Suzanne Wester". The "Topics*" dropdown menu is open, showing a list of topics: "Behavior Guidance", "Caries Risk Assessment", "Children with Special Health Care Needs", and "Fluoride Therapy (including SDF)". The "Caries Risk Assessment" topic is highlighted with a red box. The "Subject" field is empty.

3. Write your message. When finished click send to post

The screenshot shows the bottom of the form with three buttons: "Send", "Save as Draft", and "Cancel". The "Send" button is highlighted with a red box.
