

## **Wild Blue Yonder**

Bob Arnold (Alaska)

<http://www.abcd-vision.org/abcd-clinics/Remote Clinics.html>

### Photoscreen Coordination<sup>1-3</sup>

Coordinator

Screeener Training and Distribution: Lions, Public Health Nurses, Schools, Clinics

Important Numbers: Instrument Referral Criteria (specific) and CPT 99174/99177

### Patched Acuity Screening<sup>4,5</sup>

Ad Tape & Label (printed 3M)

### Parental Communication

Home Visual Acuity<sup>4</sup>

ROP education and Consent<sup>6</sup>

### Surgical Travel Efficiencies:

Home Removal of NLD stents<sup>7</sup>

### Remote Refraction:

Phoropter Trapeze<sup>8</sup>

School Bus Accommodation-Relaxing Skiascopy<sup>9</sup>
