LEARN MORE ABOUT YOUR CHILD'S EYE HEALTH

Explore trusted information about common eye conditions and learn what they may mean for your child's vision.

AMBLYOPIA ("LAZY EYE")

Poor vision in one eye that did not develop properly during childhood.

MYOPIA ("NEARSIGHTEDNESS")

Refractive error in which the uncorrected vision is better at near than it is at distance.

NASOLACRIMAL DUCT OBSTRUCTION

Blockage prevents tears from draining normally, causing build up on the eye.

ESOTROPIA

An eye movement problem where one or both of the eyes turn inwards toward the nose.

EXOTROPIA

When one or both of the eyes turn outward, instead of looking straight.
